[Updated October 2015]

The News Letter, November 2015

There is, as usual, a lot to remember in November. There is the thoughtful occasion of remembering on Remembrance Sunday, and then various other practical things to remember as this is our last issue of the year before our special double issue for December and January – so the abiding theme this month is remembering, and even remembering to remember!

Remember, remember the fifth of....

... and remember particularly to have fun safely. Our "watching and caring" Neighbourhood Watch team has a page full of tips on how to make sure your Guy Fawkes night goes off with a healthy bang and gives some wise words of caution. Please see page 15 and have a safe evening.

Remembrance Service

Close on the heels of the ancient bonfire night, we draw closer each year to the centenary of Armistice Day with our own parish coming together for the traditional Act of Remembrance at the Stone Cross. This is followed by a service in the Village Hall. Each year this event brings more people to gather in silence, possibly because our own safety and peace becomes more poignant as world-wide disharmony appears to increase. For full details please see page 10.

Book Sale

Hooray! The Book Sale is back! Just as we were contemplating going into winter with bookshelves heaving only with the books we have read before, Persis is again valiantly filling the breach in our parochial social calendar. So if you despair of reading a new whodunit where you don't already know whodidit, look out those well-thumbed tomes and follow the instructions on page 7.

And don't forget that on the same day as the Book Sale there is the hungrily awaited Hort Soc dinner in the same place in the evening. See page 17 to make your menu choice and bring along a healthy appetite and maybe a pudding.

Remember January dates!

Next month is not only the December edition but also the January one too! Unsurprisingly the newsletter team will be munching on nuts and chocolates at their respective firesides and maybe dreaming wistfully of a future with colour-printing, self-collating and stapling machines. This means we won't be putting together a separate January issue, and so we need your January dates in time

for the Christmas issue! Please aim to think ahead this month so that you don't find your January events are thinly populated.

Cause for Celebration

There's a lot to celebrate this month. Read the whole of page 6 for the results of various fundraising efforts and a very special award made to a village organization – this has been very modestly written about and belies a great deal of effort by certain individuals.

Another result well worth celebrating is recorded on page 16 and does indeed confirm what we always suspected. Well done to the Teign Valley Practice!

And how can we celebrate? Well what could be better than a little homemade beverage made from the fruits of one's labours? The Hort Soc have a Wine making talk planned – see page 17 for details.

Wot, no Snippets?

The Parish Newsletter just isn't the same without it, but PGR is taking a very well-deserved break from Snippets this month and so we have incorporated the School's September newsletter instead. However this means there are none of those newsy items about Okehampton Railway, Mariners Away, or wise commentary on village parking, planning issues etc... Please get well soon Peter, you are very much missed!

Finally, please remember...

If you are an advertiser with this newsletter any advert changes for next year need to be made soon, so please let Patience know your plans as soon as possible and definitely before Christmas.

With best wishes for November from Jenny and the Newsletter team.

DON'T FORGET THE DEADLINE FOR THE NEXT ISSUE!: Friday 20th November at 6PM.

Copy should be left in the newsletter box at South Orchard, Woodbrooke Rd, or sent by email (word .doc please) to:

Cheriton Bishop Parish Council

Public Open Session

Report by Nick Creasy, Devon County Organiser of the Devon Young Farmers Club. Building work at the old Mulberry site is underway to convert the property into meeting areas and a number of individual offices. There is a clause at present that states that occupants of the individual offices must, in some way, be connected to either the agriculture industry or the charity sector. For the purposes of sustaining the financial feasibility of the estate, this clause may need to be relaxed to accommodate other small local businesses.

Councillors' Reports

- The owners at Higher Eggbeer Farm have been contacted regarding complaints relating to noise disturbance. The owners are making a number of alterations in an attempt to reduce noise disturbance created by guests. In addition they are exploring potential options with the planners for sound insulation at the site.
- Councillors raised the potential for installing a pavement between the GP surgery/village hall and the village. This is seen to be a benefit for safety reasons and to reduce car park congestion. It is unlikely that either the space or the funding is available to achieve this at present.
- A discussion took place regarding the installation of a handrail at the steps between Hescane Park and the Old Thatch car park. Councillors will engage contractors to quote for this work.
- The potential for replacement bus shelters was discussed. It was agreed that quotes would be obtained for varying specifications and once received would enable the funding to be sought.
- Councillors reported that details available on the Mid Devon planning website are not fit for purpose. District Councillors to raise this as a complaint.

District and County Councillors' reports

- District Councillor confirmed their new membership of a committee that looks at areas of council business not picked up in other committees. It was suggested that this committee would be an ideal forum to raise the issue regarding the road condition between 4 Cross Ways and Hole Well.
- There has been a one off report from residents in Hittisleigh of all-night noise coming from Thorne Cross.
- District Councillor confirmed that the new recycling process continues to be a success with recycling going up and landfill going down. There is still some way to go in order to meet targets and therefore Mid Devon Council is going to introduce, in line with some other councils, some form of statutory recycling. Details are still to be confirmed but it is likely that some form of penalty scheme will be introduced following sufficient warning and support to those not recycling correctly/adequately.
- District Councillor reiterated the garden waste scheme that is chargeable and voluntary. Bins will be collected fortnightly and can be shared by up to 3 households.

Planning Applications

15/01455/FULL Woodhay, Cheriton Bishop: Erection of single storey front extension

15/01455/CLU The Barn, Holebrook Farm, Cheriton Bishop: Certificate of Lawfulness for continued residential use of dwelling in breach of condition 3 of planning permission; 04/01485/FULL restricting use as holiday unit and associated use of agricultural land as residential garden for a period in excess of 10 years.

Planning Decisions

0331/15 Oak House, Cheriton Bishop - replace conservatory: Approved

15/01261/PNCOU Lower Mounson, Cheriton Bishop - Prior notification for the change of use of agricultural building to dwelling under class Q: withdrawn.

Cheriton Bishop Wins Housing Award

Devon Rural Housing Partnership offers annual awards for rural housing schemes.

In 2015 the winner for the category 'Outstanding Community Contribution' was Cheriton Bishop Community Land Trust. Gill Westcott accepted the award on behalf of the Trust from Lord Richard Best OBE at the Rural Futures Conference on 1st October at the Met Office.

Auction Results

The auction of Promises and Paintings at Woodleigh Café was a great night. It raised £2710 towards the repair of the church roof. A big thank you to Sue and Allen Bloomfield and their helpers for organising the event. Also our thanks go to Michelle for hosting us at the Café and everyone who came to bid on the lots. The total in the Fabric Fund now stands at £14,914.83, which means we have reached our target!

However, our target was based on the estimated cost of the work. We are waiting on quotes to find out the actual cost so we still may need to raise some more money towards the roof repair. I have been heartened by people's generosity and willingness to help the church.

Reverend Martin Wood

Harvest Supper

Many thanks to all the people who came and shared in our Supper and gave so generously for the auction. Special thanks to Alan Tatham who donated three bottles of champagne, which had been given for his and Jan's 50th wedding anniversary. The Auction raised £94 - a record!- and we were able to send £245 to our chosen charity, Jubilee Debt Campaign, which campaigns to cut debt for the world's most indebted countries. Most of this just goes to paying interest on loans (92% of Greece's debt, for example), and leaves tens of thousands of people on the breadline or starving (hence the connection with Harvest). Our next target is to get not just the children, but the teenagers in our Village involved!

P.S. The person who made the delicious cheesecake, and served it on a glass plate, can get the plate (but not the cheesecake!) back by ringing me on 24789.

Macmillan Coffee Morning at Caribarn Studio on Friday September 25th

Many thanks to all those who helped to raise the magnificent sum of £600.01 for the work of the Macmillan Nurses, who do so much to help patients deal with such a difficult disease as Cancer. Although more people came this year the sum raised was £4.00 less than last year. Anne Darby, from Teignmouth, entertained us with her singing and amusing lyrics.

Who knows what we can achieve next year on the last Friday in September?

Operation Christmas Child - 2015

Once again we will be collecting the Christmas shoeboxes to send off to underprivileged children via the Samaritan's Purse Operation Christmas Child.

www.samaritans-purse.org.uk/what-we-do/operation-christmas-child

If you would like a ready-made shoebox, they will be available from Jo Carter (Glebe View, Cheriton Bishop) or Adele Stickland (Friday morning Pilates Classes at the Village Hall) or from the school reception area (shoebox donation of 50p to cover costs). You can, of course, use your own wrapped shoebox (the lid must be wrapped separately as the box will need to be checked by the charity).

How to Pack & Send a Shoebox:

1. SHOEBOX

Get an empty medium sized shoebox for a girl or a boy wrapping the lid and box separately. Use our leaflet or download and print an appropriate boy/girl label. Mark the correct age category 2-4, 5-9, or 10-14 and tape the label to the top of your box.

OR YOU CAN USE THE READY MADE BOXES - 50p DONATION PLEASE

2. FILL WITH GIFTS

Be sure to include a 'wow' toy such as a doll, football with pump or cuddly toy. Then add other fun toys, hygiene items and school supplies.

GIFT SUGGESTIONS

Please fill your box with a selection of new gifts from the following list, or similar items:

TOYS: Include items that children will immediately embrace such as dolls or stuffed toys (with CE label), toy trucks, harmonica, yo-yo, skipping rope, ball, small puzzles etc.

SCHOOL SUPPLIES: Pens, pencils & sharpeners, crayons or felt pens, stamps & ink pad sets, writing pads or notebooks & paper, solar calculators, colouring & picture books etc.

HYGIENE ITEMS: Toothbrush and toothpaste, bars of wrapped soap, comb or hairbrush, flannel.

OTHER ITEMS: Hat, cap, gloves or scarf, sunglasses, hair accessories, jewellery set, wind up torch, wrapped sweets (best-before-date must be at least March of the following year).

DO NOT INCLUDE: used or damaged items, war related items such as toy guns, play soldiers or knives; chocolate or other food items; liquids or lotions of any type including bubbles; medicines; hand-made or knitted stuffed toys; anything of a political, racial or religious nature; playing cards (of the 4-suit variety); sharp objects; glass containers, mirrors or fragile items; clothing other than as listed above.

3. INCLUDE £3 SHIPPING DONATION PER BOX

Help cover shipping and other costs by donating £3 for each gift you prepare. If you can give online at Follow Your Box you can discover the destination of your box. Or, you can write a cheque to Samaritan's Purse. Note: Follow Your Box is only available through online giving <https://www.samaritans-purse.org.uk/donate-now/>

4. You can also include a personal note and photo of yourself.

5. DROP OFF

Place a rubber band around each closed shoebox and bring it back to Cheriton Bishop School (or to Jo or Adele) by **MONDAY 16th NOVEMBER**. We will then take it to the collection point.

This is a fantastic way of spreading the joy of Christmas. Since 1990, more than 113 million children in over 130 countries have received these boxes full of presents. It really warms your heart and gets you in the Christmas spirit! Plus it might give you something to do over half term...

Kind regards,

Jo Carter and Adele Stickland

From the churchwardens

We gave the Harvest Goods to Age Concern, Cowick Street, Exeter and we have received a letter of thanks. The food was used in providing meals.

We offer our own thanks to all of those who helped out or bought Lots at the Auction held at the Woodleigh Coach House Cafe in aid of the church roof fund. Also thanks to Michelle for the loan of the room. This is written about elsewhere in the newsletter, but I have to say it was a busy, crowded and fun evening.

Also thanks to Bill Jeffery for organising and running the 'Singing Day', once the final notes have been captured the day will have raised more than £350.

Last but by no means least, I am pleased to invite you to attend the Annual Churchyard Working Party and Lunch, which this year will be on 7th November starting at 10am. Tasks will include hedge cutting, weeding, path cleaning and raking over the wildlife area. Please come along and do whatever you feel able to, please bring your own tools. Tea, coffee and lunch will be provided.

Many Anniversaries to Remember

The national Remembrance Day on 11th November and Remembrance Sunday on 8th November will be looking back at the significant end of World War Two in 1945, seventy years ago. We have also remembered the seventy-fifth anniversary of the Battle of Britain and the hundredth anniversary of the Gallipoli campaign in World War One this year. These different remembrances highlight different aspects of war. One common thought is when will this end? It was hoped by Christmas, sadly it is often many Christmases before that hope is realised. The seventy-fifth anniversary of the Battle of Britain reminds us that there would be four Christmas days in wartime before the first peace time Christmas Day of 1945. Wars start quickly but never seem to end as quickly as hoped for. As we remember World War One where the armies were entrenched against each other, we remember how we can become metaphorically entrenched and very hard to dislodge from a particular view or opinion.

The last anniversary is one hundred years since Gallipoli. British and Allied troops landed at the Gallipoli peninsula, on beaches including Anzac Cove, intending to occupy Constantinople (now Istanbul), the capital of the Ottoman Empire. A long and bloody stalemate with Turkish defenders ensued, until troops were successfully evacuated in late 1915/early 1916. The Gallipoli remembrance reminds us of a thwarted attempt to change the course of the war. It serves to remind us of the dreadful cost of lives lost in wartime and the many injured soldiers and affected people that wars bring. If we turn our attention to the present day, we are still confronted by the human cost of the civil war in Syria and there being no end in sight to this war, which is in its fourth year. It is estimated that 11 million people have been displaced and 4 million of these people are now refugees in different countries.

The church has another dimension of remembering in November, which is called the Kingdom season. This starts on All Saints on 1st November and ends on Christ the King on Sunday 22nd November. This period marks the end of the church's year. In essence, our goal is heaven and the kingdom season celebrates that life long journey to heaven. It finishes with Jesus as our King in heaven. It is always important to know where we are going, or else we can easily get lost. The Christian life aims for a relationship with God that transcends our earthly life into an eternal life in heaven. It is worth remembering the cost of this to Jesus. This was brought about through the death and resurrection of Jesus Christ.

We can draw several parallels by remembering those who have given so much for us, the need to use that gift wisely for the benefit of others and to keep focused on our aim in life. In God's economy peace and justice are central to establishing a sense of heaven on earth.

- A rocket FIREWORK can reach a speed of 150 m.p.h !

CRIME STATISTICS:

Have you heard, the recorded crime figures have virtually doubled in a month? This is because CYBER Crime and certain types of fraud have now been included in the statistics. It equates at another 7.7 million offences!

How many times have we warned Villagers about SCAMS? We will give you an update in the December Newsletter on just what this means to all of us.

THE SECRET IS OUT WE ALWAYS KNEW IT – NOW IT HAS BEEN CONFIRMED

Our Surgery recently had an inspection by
The Care Quality Commission

This is a National Independent Commission that was set up to assess standards in all Public Healthcare Services. They examine aspects of care across all Patient Population Groups and they address five key areas of service provision, namely:

Are they safe?
Are they effective?
Are they caring?
Are they responsive to patient needs?
Are they well led?

A group consisting of a Clinician, a Practice Manager, a Pharmacist and a Lay Member of the Public spent a whole day at the Practice assessing these areas.

They spoke to the GPs and the whole Practice Team. They also spoke to and canvassed Patients both verbally and by written comments/feedback and they spoke to our Patient Participation Group

OUR SURGERY HAS BEEN AWARDED OUTSTANDING

They are one of only four GP surgeries so far in Devon
to have been awarded this assessment

The Full Report can be found at this link:

The Patient Participation Group would like to offer them our
heart-felt thanks and congratulations

CHERITON BISHOP HORTICULTURAL SOCIETY

The **Next Meeting** of the Hort Soc will be **"Wine making made simple"**, on Monday 16th November at 7.30pm in the Spalding Hall.

Our AGM took place on Monday 19th October with the following report from our President, Mrs Maureen Barber:

"The society has had a good year thanks to the efficiency of the committee. The Spring show was down in entries but I think this was mainly due to the weather and lack of late flowering varieties of flowers. The show was on the 28th March but could be even earlier next year as Easter is very early. The Midsummer show was well-supported, as was the Village show in August. Both had several new exhibitors who not only won prizes but cups too. This is very encouraging if the society is to keep thriving. Our finances seem sound and on an even keel as Marie's report and balance sheet have shown. Again the winter meetings were varied in topics and interesting. As in other years we joined forces with Drewsteignton for one talk and the quiz night. The committee has again produced another diverse and interesting set of talks to entertain and educate us during the winter months. Hopefully these may inspire us to greater things in the summertime. Seed and bulb orders with D.T. Brown are still popular with members, and of course the more we order the greater the discount. So an all-round winner, with thanks to Janet Jeffrey who operates this wonderful service for us. We are all aware that Joyce and David Ganderton will be leaving the area sometime in the near future and this seems an ideal time to thank them both most sincerely for all the time and effort they both put into the society since moving to Cheriton 27 years ago.

"As I said at the beginning it is the efficiency of the committee plus the participation of the members that keep the society going. Unfortunately the committee isn't getting any younger and most have served their 3 years in several if not all of the jobs. We would be delighted to encourage any new or old members to join this merry band so bringing new ideas and energy to challenge us all. And ladies if you have strong and willing men who would help with setting up the tables for the exhibitions and to help clear away afterwards that would be greatly appreciated. This would also apply to the erecting of the gazebo for the Village show. Small things that would make such a difference to the continuing survival of the society.

"Our next event is the Annual Dinner, to which you are all invited. Sally has the menu and is waiting to take your order!"

The Committee are sad to see Marilyn Brook go and thank her for valiantly taking on the role of secretary during the last year. David Wolley remains at Chairman and Marie Bownes stays as Treasurer. Jenny Grist was appointed Secretary for the coming year.

Have you seen the Quiz Trophy? The Hort Soc have mislaid the wooden trophy that is awarded each year at the Quiz in January. It is a plinth with two dibbers with a string stretched between them. If it is still lurking on your mantelpiece since you won the quiz some time ago please let us know!

The ANNUAL DINNER is on Saturday 14th November in the Village Hall, 7 for 7.30 pm.

Please choose from this year's menu below and let us know if you would like to come and what you would like to eat – so that we can cook enough!:

Succulent Salmon
Chicken Surprise
Roasted Ham
Devonshire Beef Cobbler
Vegetable Lasagne

The meal costs £8 and includes fruit punch, but please bring your own drink of choice if you would like to. And **please bring a pudding!** – our renowned Pudding Table is annually filled by the generous cooks of the parish and everything contributed will very rapidly disappear into happy people by the end of the meal! To book your meal please phone Sally Burton on 24724.

For any information or details about the Hort Soc please phone Jenny Grist on 281110.

Walking Group News October/November '15

September's month's walk to Belstone, was lovely. We had perfect walking weather, bright and pleasantly blustery. We walked around the tor then up to the beacon and the aspect was open with great views, a lovely afternoon. Several of us finished up in the Tors pub in Belstone for a welcome cuppa.

We had an exceptional turn out for our October walk. 20, and 5 or 6 dogs, gathered outside the YFC and set off for Okehampton. Nigel and Caroline Stokes planned the walks, three different routes, in the Simmons Park/East Okement river area. The weather was kind, grey but dry. Parts of the route presented some challenges (clambering through roots by the side of the river for example), but we all made it! This month we were joined by two young boys with their Mum, Dad and grandparents. The boys proved great walkers, we hope they had fun, and maybe they will encourage some other youngsters to come along. Once we had all met up after the walk a number of us drove to the Taw River Inn in Sticklepath, for a quick drink and a chat. The rugby was on, so several of the group gravitated to the TV (perhaps that was part of a cunning plan....?), which was showing the match.

Because November 1st is on a Sunday our walk will seem early next month so **Please note that the November walk is on Sunday 15th**. Clive Woodward is planning the route, as yet undecided, so please look out for posters and check the website for information closer to the time.

Cheriton & Tedburn YFC

Since the club's AGM in September we have been preparing for what will hopefully be another successful year for the young farmers. The club hit the ground running for the new year with preparations for the carnival float being the first activity. This year the float is themed around the rugby world cup. We took to the streets at Okehampton carnival and showed off our rugby skills in front of the hundreds of spectators! For those that missed Okehampton or would like to see us again, the float will be rolling again at Hatherleigh carnival on the 14th November.

This year the club also helped to decorate Holden's pillars at Exeter Cathedral along with Chagford YFC for the harvest festival on the 25th October.

North East Dartmoor Care – which includes Cheriton Bishop

NED Care is a new, not-for-profit project aimed at addressing the dire lack of social care in our area. North east Dartmoor is described as an area of 'market failure' in adult social care by Devon County Council and many of us have struggled with the consequences of this challenging state of affairs.

Moretonhampstead Development Trust began work on the NED Care project last January and has since come across many cases of a break down in care locally - for people coming out of hospital or residential care after a short stay, for those who need extra support to stay in their homes - and many others struggling to find the support they need.

The situation in social care is complicated and will require a range of creative and community-led solutions. We are aiming to begin delivering new, locally-based and CQC registered care services in 2016, but are also working in the meantime on a range of support for people who need care *now*. Please get in touch if you are looking for care for yourself, a friend or relative. We can help you to find, check and employ carers, and support them in their work with you.

We will soon be launching a local Carers Register and are really keen to hear from anyone who is working in care, is interested in care work, or is an unpaid carer. We can help through funding for professional development, access to free training and support networks. We are also looking for volunteers to support the project in a variety of ways and would really like to hear from anyone with experience of caring, to help in designing services.

**Please come to a public meeting
at 7pm on Tuesday 10th November,
at the Village Hall in Cheriton Bishop.**

Come to find out more, tell us about your experience of local care and
how you would like to see things develop.

ALL WELCOME

ACE Archaeology Club Autumn 2015

We are just about recovered from our 'dig' back in August/September. We had a great time with a great team. We had some new members, who were brilliant and carried on despite, in at least one case, a visitor from Sheffield, being flooded out of their tent. We were so pleased to have attracted a digger from so far afield. We found more cobbles! We seem to have a house with cobbled floors both indoors and out. Something like a Devon longhouse? We don't know yet but it is exciting.

The weather was variable but we didn't have to spend too much time in the mess tent eating cake. Our new tent, which was the finds and administration tent, was great and we are now hoping to raise some money to buy another tent to replace the old, dark and leaking mess tent.

We had a visit in October with the Kingsteignton History Society, who had asked us to have a look at what might be an Iron Age Hill fort but isn't typical. We wondered if it might be Roman in fact. We hope the Society will do more work on the site.

We had a major problem with our website, thanks to hackers, and it is now being rebuilt from scratch. So apologies if anyone has been trying to get in touch. If you want more information please use the e-mail address below.

We have our AGM in November and that involves a planning meeting with our members so we hope to have some interesting things planned for next year. We will let you know.

News from the Castle

Hello everyone

I can't believe we are already heading towards the end of another year! Where has the time gone? It has been a great year for us in so many ways. There have been some fab community events – from the inter school cross country race and our community open evening, to evening theatre performances and welcoming Diane and Marielle during Devon Open Studios. We also saw the scaffolding come down from the south end of the building which was a real high point, exposing beautiful pointing and gorgeous windows once again. We are looking forward to the central section coming down very soon, albeit a bit later than planned! Building work can be very tricky.

We hope to finish the year in style with visits from a very special gentleman in a red outfit and a big white beard (I'm sure you all know who I mean) and plenty of festive fun. You are all invited to our special late night Christmas shopping on Tuesday 1 December from 4:30pm until 6:30pm. There will be mulled hot drinks, mince pies, Christmas music and 5% off for local people when they spend over £30 just for this night. We will also be offering a free Christmas wrapping service (donations welcome). I hope to see you all there so make sure you leave a mince pie for me.

Please note that Castle Drogo will be closed on Christmas Eve, Christmas Day and Boxing Day as we will be spending time with our families and friends. The estate is always open though if you need some fresh air or want to walk off the turkey or those chocolates!

As we start to turn our thoughts to what exciting things 2016 will bring, I would like to take this opportunity to say thank you to you all for your continued support for Castle Drogo. The Drogo team work so hard to keep this building project going forward and the support from local people makes such a difference and gives us the energy to keep going.

I hope you all have a very merry Christmas and a happy and healthy new year.

Best wishes and see you soon,

Paula

Cheriton Bishop School News

Dear Parents and Carers,

Friday 24th September 2015
(so, a little out of date!)

Another busy week at school! We were sad to say goodbye to Levi, Joshua and Lily-Mae. We wish them all the best in their new school in North Devon. Well done to our new school councillors. I was very impressed that so many children had written their speeches clearly and concisely and spoke with care and confidence! Our school councillors this year are Rufus N, Edwin, Lucy, Willo, Jay, William BK and Zoe. In their absence, Scarlett, Lily F and Isabel will stand in.

Let's Celebrate! Well done to...

Felix for fantastic attitude and effort in swimming!

Freddie for working hard, helping in class and settling in so well!

Harry H for a fantastic attitude to learning, noticed by others!

Class 2 received the highest attendance certificate for the last week.

Great effort! Keep it up!

Lunch Time Support

We still have a Meal Time Assistant vacancy for lunches, from 12-1:15pm each day. Please let us know if you think this could be you. We would welcome help for 1 or 2 days or as much as 5 days - whatever fits in with you.

SOE3 & Data Collection Sheet

Please make sure these forms are sent in to school as soon as possible.

Home Learning

We have been letting the children settle in before setting any formal home learning. Over the next few weeks, Class 3 will be given a home learning journal with guidance on how to use it. Class 2 should have theirs. Year 1's will receive theirs after half term. Reception children can share their home learning through WOW cards in Class 1. It is essential that children read daily and all children from Year 1 to Year 6 should already be coming home with a reading book.

We are sorry that we are unable to run a Homework Club as we did last year. However, we endeavour to offer a range of clubs over the year to get children active or interested in new things. There were so many children in Homework club last year that the adults were unable to give the correct support. Once your child has been given a Home Learning Journal, please come and see me if you have concerns about this and we will try to support you however we can. Please speak to the teacher at Parent Meetings if you have concerns about your child's progress. During the school day, we have catch up sessions and interventions to support all children to keep on track. There will be a SATs club for Year 6 children later in the school year.
