[Updated February 2016]

## **The Parish Newsletter, February 2016**

A new year of local events begins with this first edition of the Parish Newsletter in 2016. There is a return of various old favourites with some new events planned as well – There's a lot to look forward to in the early spring, with one or two summer events that are just hinted at this month. Take note and plan your year!

### **Air Ambulance**

Living in a rural area we are, as a community, always keen to support this vital service. This charity-financed helicopter is looking to extend its service and is coming to the village in early February to tell us what is being planned. For details of this please see the Parish Clerk's notes on page 6.

### **Get those feet tapping!**

An intriguing mix of music is coming to the Village Hall this month and, from the sound of the details on page 7, this is going to be a lively and entertaining evening, just the thing to get our feet tapping on a winter's night. It will also set the trend for another musical evening planned to "blow the March blues away" next month. See page 8 for this and be sure to book your seats before the end of February.

### **Something to have with wine?**

How about a little heart-warming tippie? There are two events this month that combine a glass of wine with convivial company. You could choose to take the more challenging option of exercising your grey matter by adding a nugget of "wisdom" to your beverage at the Pre School Quiz evening (presumably once the little ones are tucked up in bed) – see page 7b. Or you could forget about taxing your brain and simply enjoy the ambience of a party where the chief addition to the wine is cheese and other tasty things to eat. For details of this please see page 7.

### **Local Produce Market**

Please don't forget to support this local market and remember it now has a new day of the week, Saturdays being a more popular day for those who work outside the parish. All the details for this monthly market are on page 4 (on the Diary Dates page as we were a bit tight for space this month).

### **Keeping Watch to keep us safe**

Be sure to read page 14 this month because you are needed! The Neighbourhood Watch team are updating their records and want to encourage more people to join them in keeping an eye on potential crime and other safety concerns. If you haven't kept

those New Year's resolutions you made in January here's one that might give you more incentive!

### **Keeping calm**

Well it sounds as though the Rector might have got this one sussed, judging by the name given to this year's Lent Course (see page 12).

However, the Horticultural Society will be providing a challenge to their members' usual composure at their February meeting when the undergrowth of the garden is explored for all sorts of creepy crawlies. Will the speaker be bringing jam jars with little beasties in? Will there be screams resounding from behind the door of the Spalding Hall? See page 14 for details *and attend if you dare!*

### **Coming next Month:**

We are going to be kept on our toes next month because Easter is early this year – so please don't forget to let us know before the deadline if you have Easter things to add into the magazine. Also keeping us on our toes will be the afore-mentioned music evening, plus an "Eighties" disco (poster on page 7c). It's time now to look out those padded shoulder jackets and book your "big hair" perm to complete the authentic look of the era.

And looking even further ahead... Please remember to put in your diaries now the Spring Show at the very beginning of April. Now's the time to put that freshly made jar of marmalade somewhere safe (where no-one else will eat it) and maybe put your daffs in the freezer to hold them back a bit. Then you'll be all set to steal the Spring Show Cup when the great day arrives (details on page 14).

*With best wishes for February from Jenny and the Newsletter team.*

# **Cheriton Bishop Parish Council Report**

Meeting on 14th December 2015

## **Public Open Session:**

A member of the public who is the new owner of Buttercup Meadow (formerly known as Argermay) came to the meeting to explain her vision of the planning application that has been made to Mid Devon Council. The Parish Councillors had the opportunity to ask questions to the applicant.

## **Councillors' reports:**

- Councillors reported that they have been contacted by residents claiming not to have received recycling boxes. The District Councillors confirmed that some boxes had indeed not been delivered but that every effort was being made to rectify this. It was also confirmed that un-wanted wheelie bins would be collected, but at the moment, no timetable for this is in place.
- A new estimate of £5,200 has been received to replace the bus shelter on the Mulberry side of the road. The proposed new bus shelter would be block built, with a pitched roof. The Council agreed to discuss funding options at the next meeting.
- It was agreed that replacement trees for the verges opposite the Old Thatch Inn would be sourced and planted.
- It was reported that a councillor had recently attended a Devon Highways event. The meeting discussed the possibility of Parish Council's taking over the responsibility of cutting grass verges, repairing pot holes and many other minor works in the public areas of Parishes and Towns within Devon. Multiple Councils were represented; many reported their frustrations about wanting to carry out these repairs/works but being hindered by the lack of training opportunities to allow them to be suitably qualified to undertake these tasks.

## **District and County Councillors' reports:**

- District Councillors reported that there would be a new Chief Executive starting in February.
- 13 homes in Mid Devon have been sold under the right to buy scheme.
- The Planning Enforcement officer had been called with regard to Venbridge Grange. He confirmed that after conversations with the owner he had advised them to make planning applications with regard to issues on site.
- The new recycling scheme was reported to be going well, with over 500 permits being issued for brown wheelie bins. The recycling rates have increased and the Council is very pleased with the results of the changes.
- County Councillor reported that he had passed on details of pot-holes that had been reported in the area. He stated that concerns had been raised that the possible temporary closure of the Crediton High Street could have a knock on effect to the traffic in the Cheriton Bishop area due to people trying to find alternative routes.

•

## **Planning:**

- 15/01186/FULL Buttercup Meadow (formerly known as Argermay) – erection of replacement Agricultural Barn, retention of Greenhouse and removal of existing building.
- 15/01945/FULL Heamoor Lodge – Removal of Condition 5 (holiday let only) of full planning permission 06/00464/FULL.

## **Planning Decisions:**

- 15/01445/CLU The Barn, Holebrook Farm – Certificate of lawfulness of continued residential use of a dwelling. Permission granted.
- 15/01455/FULL Woodhay – Erection of single storey front extension. Permission Granted.
- 15/01678/CAT Brackenwood – Notification of intension of removal of x2 Cypress Trees within a conservation area. No objection.
- 15/01530/FULL Cheriton Farm – erection of extension of existing livestock building. Permission Granted.

# **Cheriton Bishop Parish Council Report**

Meeting on 11th January 2016

## **Councillors' Reports and discussions**

Thanks given to Councillor Paul Mitchell for planting a tree outside Oak Tree House.

Complaint regarding new structure erected at the rear of the shop. A Planning officer from Mid Devon has visited. Also complaints regarding early deliveries to the shop, which have been as early as 5.30 am, disturbing neighbouring residents.

Spalding Hall now has a Nintendo Wii which can be used on the projector.

Discussed the possibility of organising a Village Green picnic considering a good date for this possibly in June to celebrate the Queen's 90<sup>th</sup> birthday.

Budget and precept considered and discussion regarding the possible need for an unavoidable increase of the precept due to central government cuts. The Parish Council will now need to fund necessities that the District and County Councils will no longer fund, such as maintaining drains and ditches, grass cutting around the village and necessary action should Cheriton Bishop suffer from severe adverse weather.

Replacement of the bus shelters considered and deciding to replace the shelters with more robust and user friendly shelters. If anyone in the village would like to comment on the replacement of the bus shelters please contact either Councillor Peter Endacott, [peter.endacott@btinternet.com](mailto:peter.endacott@btinternet.com) Tel: 24580 or Councillor Kim Bastyan, [kim.mcdonald@hotmail.com](mailto:kim.mcdonald@hotmail.com) Tel: 272774.

## **District Councillors' Reports**

There has been some local flooding including areas of Copplestone and Yeoford.

As from the 25<sup>th</sup> January Crediton High Street will be closed for 4 weeks whilst replacement sewer works are undertaken.

There is an on-going consultation regarding the closure of the council offices in Crediton.

## **Planning Applications**

Application for 2 clusters of sycamore trees to be cut down in a conservation area in Church Lane.

Decision to be made by Conservation Officer.

## **Planning Decisions**

15/01769/PNCOU – Prior notification for change of use agricultural building to 2 dwellings under class Q – Development accepted.

15/01729/CLU – Wheel Drive – Certificate of lawfulness for existing use of building as dwelling for over 4 years – Grant Permission

15/01727/PNCOU – Greenfields, Thorne Cross – Prior notification for change of use agricultural building to a dwelling under class Q – Development accepted.

## **Notes from the Parish Clerk**

### Devon Air Ambulance

The Air Ambulance service is preparing to fly at night and needs to have suitable sites available where it could land in an emergency. A representative will be at the next Parish Council 7.30 pm 8th February to explain what is required and the costs involved to provide night time landing sites. Members of the public will be very welcome to the meeting to hear the presentation.

### Internal Auditor

The Parish Council are looking to appoint an Internal Auditor for which an honorarium is paid. Please contact the Clerk for more details.

The purpose of an internal auditor is to review the council's systems of financial and other controls and to give the council an independent view. The internal auditor is not required to do a full audit of the council's accounts rather an overview to ensure that it meets the requirement of the Account and Audit regulations for smaller councils.

There is no requirement for the internal auditor to be professionally qualified but they should understand accounting processes.

### **Caribarn Art Studio**

We have a few places for the New Year at Caribarn Art Studio if you are interested in joining us. We have Kari McGowan as a very experienced tutor for watercolour, oils or pastels. The cost of each lesson is £10 for 3 hours. The lessons are on the last Friday of every month with a few exceptions for Good Friday and Macmillan Coffee morning etc. Coffee/tea and refreshments are available at no extra cost.

*Inquiries to Sue Bloomfield at 01647 24840*

## **Hello from the churchwardens**

We are most grateful to Keith and Sarah Rowell for their donation of the Christmas Tree, and it was great to see so many attending the services and events at St Mary's over Christmas. The collection at the Christmas Day service resulted in £179 being sent to the Church of England Children's Society, thank you all for your generous giving.

Looking forward we have a Cheese and Wine evening on Saturday 13<sup>th</sup> February, 7-9.30pm at Hill View, Church Lane, by invitation of Neil and Sally. Details elsewhere in this issue.

The Lent Course, is to be held at Pathfinder Church, starting on Wednesday 24<sup>th</sup> February and runs for 6 weeks and will be looking at The Beatitudes. Full details can be found elsewhere in this issue.

Early in March, in fact on 5<sup>th</sup>, there will be a fund raising evening for church funds at the Village Hall with Mariners Away and a Jazz Band, again details are set out in a separate advertisement.

Just a final note, the bell ringers would welcome anyone who would like to learn church bells, please contact Alan on 01647 24002.

## ***From the Rector***

### **Lent hot on the heels of Christmas**

The month of February encompasses the end of the Christmas celebration, on the 2<sup>nd</sup> February and the beginning of Lent on Wednesday the 10<sup>th</sup> February. February has one foot in Christmastide and one foot in Lent with only just over a week between them.

There is a change of mood from celebration to sombre reflection. However the two seasons are not unrelated events, but part of the whole picture of the life and significance of Jesus Christ. Let's start with the end of the Christmas period. Perhaps you thought Christmas was done and dusted by the beginning of January. The church has a tradition of marking significant events with a forty days observance, so for example Easter and Christmas are observed for 40 days as is the build up to Easter with forty Lenten days.

As part of the Christmas story of Jesus' birth, we are told that Mary and Joseph presented themselves with Jesus at the temple forty days after his birth. When Jesus is presented at the temple Simeon and Anna can foresee Jesus' greatness and the pain that his mother would have to bear. It is a bitter sweet revelation. When Jesus is just forty days old the shadow of the cross is cast over him. It is not surprising that as the Christmas celebration of the birth draws to a close, we turn from new life to death. The church prepares to face the cross on Good Friday through the observance of Lent. It is rather like a spiritual spring clean. There is reflection on how our Christian faith is being applied and the chance to enhance it by removing obstacles that get in the way or by looking for new ways to apply our faith. We are encouraged to read the bible and to learn about our faith. The lent course is a good way of taking a fresh look at aspects of Christianity. This year we are looking at the Beatitudes, from the Sermon on the Mount, where Jesus talks about blessing in some unlikely places. It is open to everyone, so come and join in on Wednesday nights in Lent starting on 24<sup>th</sup> February and running for six weeks.

This month also sees the rare date of the 29th February. It comes around about every four years and is quite handy in terms of diary management because the day of the week and the day of the month are normally identical in March and February. I have several times put an appointment in the wrong month by accident, normally the date and day of the week are different in different months and you realise your mistake in time. It is less helpful if you are born on 29th February as you get to celebrate your actual birth day every four years although each year counts towards your age!

### Diary Note

March 6<sup>th</sup> Visit of the London City Mission

Bible Study and Prayer Meeting on Monday evenings at 7.30pm  
1<sup>st</sup> Home Prayer Fellowship at Shortacombe, 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup> Speaker; Mr  
Reg Cade, 29<sup>th</sup> Mission Focus

### Holy Trinity Yeoford

There were many people who joined us to celebrate Christmas. The community Carol Service in the village hall was well attended, as was the crib service on Christmas Eve. Many children filled the crib and we all joined in carols and prayers. It was a happy occasion and filled us all with the wonder of Christmas. Thanks to all who helped with both services. We give a big thank you also to Jenny and David Francis who took our Holy Communion service on Christmas Eve evening.

Holy Trinity is being given a face lift at the moment. Repairs suggested in the quinquennial inspection are being completed and redecorating inside and out. We are having services and Café Company in the village hall until all is finished.

There will be a pancake party in the village hall again this year. Pancake races and pancakes will be served on 9<sup>th</sup> February at 4pm in the village hall.

Café Company is at 9-30 every Monday.

### February Services

**Sunday 14<sup>th</sup> 9-30** Holy Communion by extension

**Sunday 28<sup>th</sup>** Holy Communion 9-30

## **West Country Embroiderers in February**

**Tuesday February 2nd 13.30- 16.00 Cheriton Bishop Village Hall**

'Out of the Hedge' & 'Pockets & Purses' are the themes for this month's meeting. We are delighted to welcome Helen Bamber to WCE this month, a locally renowned textile artist who will demonstrate various techniques, some of which will involve stippling, overlays and dissolvables. Every year new materials are available and this is an opportunity for us to gain first-hand knowledge on their versatility and application.

New members are always welcome, pop in and see if WCE is for you. Please contact *Nicky Westcott* 01835 82517 or [westcottnicky@gmail.com](mailto:westcottnicky@gmail.com) for the list of things you will need for this month's class.

**Crafts 4 Crafters Show - West Point, Exeter** 4th-6th February 10-5pm

Members of our group will be involved with demonstrations and stewarding at this event. If you are interested in Textiles, pop along for new ideas and materials.

*Elaine Clark*

## **Cheriton & Tedburn Young Farmers**

Happy new year! It's been a busy end to 2015 for Cheriton and Tedburn YFC with the county ballroom dancing finals, annual Christmas ball, ice skating, carol singing, a farm visit and our Christmas party!

The Haldon group ballroom dancing team had success at the county finals coming first and therefore qualifying for the southwest area round in March! With several C&T members in the team this a great achievement for both the group and our club.

Looking to the future, the group round of the drama and choir competition is fast approaching and our cast and choir are practicing hard to put on the best performance we can! No matter what the result on the day we will be putting on a performance of our drama locally so watch out for further information on the notice boards.

*David Rowell, Cheriton and Tedburn club secretary*

## **Cheriton Bishop Horticultural Society**

Next Meeting: **Monday 15<sup>th</sup> February at 7.30 pm, in the Spalding Hall**

The subject of our next meeting is “The Secret World of the Undergrowth” and John Walters, an entomologist will be giving us a talk on the miniature but essential world of insects and their significance in our gardens. New members are, as always, very welcome.

**Spring Show: Saturday 2<sup>nd</sup> April, 2.30 in the Village Hall (Entries in by 7 pm on Thursday 31<sup>st</sup> March, staging and judging of entries on the Saturday morning).** The schedule for this show will be available very soon (if not already!) and posted on the village website. Please have a look and see if you can enter something – classes range from daffodils to a jar of marmalade. Hopefully the early spring flowers won't have all been and gone by 2<sup>nd</sup> April, but we might have a few other attractions organized to fill out this event if the daffodils have disappeared.... More news next month.

*Jenny Grist, Secretary.*

## **CHERITON BISHOP & CROCKERNWELL**

## **NEIGHBOURHOOD WATCH Watching & Caring, not Snooping!**

### **NEW YEARS'S RESOLUTIONS**

The Neighbourhood Watch Team are determined to help keep Cheriton Bishop and Crockernwell an even safer place to live in during 2016. 2015 saw some setbacks – diminished Police presence – loss of our attempt to set up a much needed Community Speed Watch, and loss of membership through members passing-on and others moving out of the Village.

So our Resolutions for 2016 are to boost membership – there is greater safety in numbers – by signing up newcomers to the Village and new members from the half of the Village who don't belong already. When the development at Moor Park is inhabited (there'll be 50 plus residents including children) we will resurrect our claim for a Community Speed Watch and this time we will insist the Police speed checks are executed at the most vulnerable spots – near the bus stops.

But firstly, we want to update and enhance our records. Community Messaging emanates from Police HQ at Middlemoor. We receive information about potential crime in this area and requests for “intelligence” from Villagers when a crime has been committed and they may have witnessed something that could be of value to the Police investigation. Jean Martin forwards this information to members by e-mail and now has a dedicated e-mail address – **[nwatchcb@gmail.com](mailto:nwatchcb@gmail.com)**. If you are a member and want to continue receiving these messages or don't currently receive them, please e-mail Jean as above.

Secondly, you can help! If you are not a member or are and have a neighbour who isn't (maybe they've recently moved in) contact either Jean by e-mail, or the writer by 'phone and we will get you a “Joining Form”. Remember, there are no Meetings to attend, no “vigilante” duties to perform, just an “eyes and ears” operation – watching and caring.

Thirdly, if you have any “safety” concerns within the Villages – traffic – personal – etc., let us know with your recommendations.

**HAVE A HAPPY & SAFE 2016.**

*Brian W Bryon-Edmond, Deputy Co-ordinator, Neighbourhood Watch. phone 01647 24696*

**STOP PRESS:** Devon & Cornwall Police have just issued 2015 recorded Crime Figures which show a reduction of 5% in overall crimes. However, violent crime and sexual crime has increased and don't forget cyber crime which is not included in these figures. Vigilance is still vital !

## Restoring Fingle Woods – heavy horses take the strain

The Woodland Trust and National Trust are continuing their restoration of Fingle Woods this winter, with over 50 hectares of conifer plantation being thinned.

In early January, members of the public had the chance to see a heavy horse in action on site, used by the charities to remove timber from sensitive areas of the woods. The heavy horse, Beano and his handlers, spent a week hauling out timber from an area of woodland around Upperton Weir. The timber had been felled by National Trust volunteers to open up the habitat in this riverside plot.

These low impact methods of thinning trees leave the ground less disturbed, allowing the wild plants to regenerate and minimising disturbance to other wildlife. There are dormice hibernating in this area so a careful inspection of possible nesting sites was carried out before the extraction work started!

Throughout the week many visitors and walkers stopped by to see the heavy horse and his handlers at work. Dave Rickwood of the Woodland Trust has been pleased with the way the work has gone and said *“it’s been an excellent opportunity to show people how horse logging can be used in the management of sensitive woodland habitats”*.

To read more about our restoration work please visit our blog [finglewoods.org.uk](http://finglewoods.org.uk) and do come along to the forthcoming lectures at the Fingle Bridge Inn, Drewsteignton (EX6 6PW). To book a place please go to: [woodlandtrust.org.uk/events](http://woodlandtrust.org.uk/events)

### Fingle lecture series 2016

#### **4th February - Dormice and Barbastelle bats 7pm**

Matt Parkins & Cecily Goodwin will share recent research on dormice at Fingle and show wildlife footage from remote cameras. Susan Young will show videos from her study of Barbastelle bats in the Bovey Valley. *We'd like to do more remote filming - if you're interested do come along.*

#### **3rd March - Fingle the wildwood. 7pm**

Adrian Colston will be sharing his personal passion for the management of the Dartmoor landscape and the challenges posed by a changing climate. He will describe a long term vision for Fingle and how it might return to wilder times. *Visit Adrian's blog [adriancolston.wordpress.com](http://adriancolston.wordpress.com)*

#### **7th April - Fishing the Upper Teign 7pm**

Mike Weaver, from the Upper Teign Fishing Association, will be describing a life time's experience of fishing the Upper Teign. He will be dipping into the history of fishing on the river and the current issues and fears affecting the life-force of the river's wildlife today.

For more information talk to David Rickwood of the Woodland Trust on 07827 820637 or by email [DavidRickwood@woodlandtrust.org.uk](mailto:DavidRickwood@woodlandtrust.org.uk)

## ***News from the Castle***

### ***Hello all***

2016 is here! We are very excited about this year. To celebrate reaching the end of this phase of building work and getting ready to start the final phase, we are holding a community open weekend on Saturday 5 and Sunday 6 March. This is the weekend before we officially re-open for the new season so you all get a sneaky peak before everyone else. We will be unveiling a very special item which will be on display in the castle this year. I don't want to give too much away but watch this space! Plus, we will be hiding golden tickets for free entry that weekend in various secret locations. Check out our Facebook and Twitter account 'Save Castle Drogo' for clues as to where to find these tickets. Make sure you get the date in your diary.

Before that, we will be open for February half term. The trail that week is wildlife, which ties in nicely with a community project in February with the Princes Trust who will be working in the woodland along the drive creating better habitat for Dormice. The highlight of half term week will be the Castle Drogo fundraising coffee morning at Endecott House in Chagford on Saturday 20 February. Please pop in to see us all – any raffle prizes much appreciated.

The inter-schools cross country run is back again for its third year. Last time, we had over 200 children racing around Piddledown Common which was loads of fun, and very noisy! We're hoping for even more runners this year.

We are also holding a volunteering open day on Saturday 6 February, 11am – 3pm. If you have been wondering what volunteering at Drogo involves, or would just like to grab the opportunity to chat with the team, please pop along to see us. There are so many amazing opportunities for people to get involved with us. You are guaranteed a cuppa, a biscuit and a very warm welcome.

Best wishes and see you soon,

Paula

## **Snippets from the Classroom and Beyond**

No 176 February 2016

So, anyway, there I was, generally getting nothing done and mind in neutral when I got this terrible feeling that I had forgotten something important. Yes, after the Christmas lay-off for those involved in the Newsletter, yours truly had totally forgotten about producing February Snippets!!! What's more, the deadline for articles had long since passed. A quick 'phone call got a sympathetic response and I will try and make it in time for printing

The first thing to ask is "Did you all have a good Christmas and New Year?" Yes, I know it sounds daft asking such a question when the newsletter comes out in February but it has to be asked. I know the children got back to school in good form so I can only assume that the holiday period was enjoyed by all. Now we can look forward to the Spring and the reawakening of both animal and plant life. Let us all hope that the rainy weather is behind us now. It was awful watching those poor people of the northwest of our country cope with the repeated flooding of their towns and villages.

Let's get on now to the calendar of forthcoming events. The first item to catch the eye is the 'Healthy Start Breakfast'. It's a good way to start the week and there has been a good take-up from parents. I hope it's not being used as a way to get some peace and quiet in the home with the children safely at school at a much earlier time!

Then we come to the 12<sup>th</sup> February and the Non-Uniform Day. This is the last working day of the first half of the term and the PTFA will be handing out Valentine's Day biscuits to the children. Notice also that the afternoon of 12<sup>th</sup> is also a time when parents and carers can visit the school in action. Then, of course, it's Half Term with a week off school.

Much store, quite rightly, is put in the ability to read the written word. We depend on the parents to encourage and guide their offspring in their reading skills. This month's school letter to parents includes a handy guide to getting the most out of reading sessions. This term we have a Book Fayre at the end of February followed by World Book Day all to encourage the children to become familiar with books and reading. It's a very worthy cause.

You will note that the PTFA are organising an 80's Disco in the Village Hall on 12<sup>th</sup> March. I hope it is well subscribed. I do note that it does go on to midnight!

I don't, as yet, have any information about the Concert in the Great Hall in Exeter but I expect it will follow similar lines to previous years. Similarly, I have no details about the Residential Course this year. I do know that the Residential Courses are well appreciated for both the educational and fun content. I hope it is the same this year.

So, the calendar looks like this:

**11th Jan-21<sup>st</sup> Mar – Solihull Parenting Course**  
**28<sup>th</sup> Jan – Healthy Start Breakfast – 0800-0900**  
**12<sup>th</sup> Feb – Non Uniform Day**  
**12<sup>th</sup> Feb – Open Afternoon for Parents and Carers**  
**15<sup>th</sup>-19<sup>th</sup> Feb – Half Term**  
**22<sup>nd</sup> Feb – Non-pupil Day**  
**29<sup>th</sup> Feb – Crediton Bookshop Book Fayre 1530**  
**3<sup>rd</sup> Mar – World Book Day**  
**7<sup>th</sup> Mar – CLC Concert – Great Hall, Exeter**

**12<sup>th</sup> Mar – PTFA 80's Disco – CB Village Hall 2000-2400**  
**14<sup>th</sup>-18<sup>th</sup> Mar – Years 5 & 6 – Residential Course**  
**24<sup>th</sup> Mar – End of Spring Term**

Typically, the calendar falls between two pages despite all my efforts.

Having mentioned the Village Hall once, I can now let you know that the staff of the surgery are aiming to hold a MacMillan Coffee Morning in the Village Hall. I can never remember the date but I am sure that they will be publicising details nearer the time. I am not sure if Sue and Allen are holding their MacMillan Coffee Morning at Caribarn this year but, if they are, there will be absolutely no excuse not to attend one or the other. The MacMillan Cancer Nurses are a marvellous bunch of people and deserve everybody's full support.

What has been happening in the village of late? Most activities have occurred as programmed but to the accompaniment of the most appalling weather. The rain over the Christmas period put a dampener on everything with the unseasonably warm temperatures making it seem that we never got past the Autumn. Then we get a day or two of icy conditions before the temperatures rise again. I think we must all acknowledge 'Global Warming' as a reality now. All those who stick their heads in the sand and ignore it must start to realise something is happening. Mankind has been topping up the atmosphere with noxious gases from chimneys and car exhausts for too long – it must be poisoning us as well. Then we get onto other forms of pollution that are present. On land we are still using too much landfill for our waste. At sea there are vast floating islands of plastics and other garbage waiting to destroy those creatures that get ensnared in the rubbish. There are also quite large areas of sea contaminated by solidified heavy fuel oil which poison the fish and other species. When will we wake up?

On a happier note, Mariners Away are back in action after the New Year starting with a gig at the King's Arms, Tedburn St. Mary. We were helped out in our choruses by the Tedburn Choir who provided able backing. In February we will be visiting Totnes to take part in the Devon Association's concert celebrating the works of one John Perring of Dartmouth who gathered collections of local songs and shanties. He was assisted in this work by Percy Grainger. We have got a number of festivals lined up with Gloucester, Lyme Regis, Falmouth and Wessex amongst them. Throw in a couple of visits to Morwellam and you can see that we're fairly busy once local hostelries are included!

The railway up at Okehampton had a good Polar Express season and took advantage of the locomotives which were brought in for Polar. They had a bit of a celebration gala this last weekend with some enthusiasts coming from as far afield as Scotland!! Yes, there are people who like diesel locomotives. Yours truly did assist up at the station in fairly minor ways. Overall, it was judged to be a success. Unfortunately there has been a bit of a dark cloud thrown over proceedings by the departure of Thumper unit 1118 to the West Somerset Railway. This means that, once the Polar Express locos have gone, we are hard put to find any traction. However, work will continue maintaining our own rolling stock and helping with station maintenance and lineside clearance as usual. It is worth mentioning that the Supporter's Association has now opened a shop on platform 2. At present it only has a limited stock of items on sale but this will change as we gain experience.
