[Updated May 2016]

The Parish Newsletter, August 2016

The next two months look set to be very busy ones with many events and activities to make the most of the second half of the summer. There's a lot to plan for in September and much to participate in during August and many things for all the family to do – just what we need during the lovely long Summer Holiday.

Village Show Day

This is probably the main event of the month for Cheriton in August. The schedules are already being spread far and wide so make sure you have your copy. Why not encourage all members of the family to take part? There really is something for everyone and lots of classes for children. This is Cheriton's equivalent of The Great British Bake Off, Chelsea Flower Show, and The Sewing Bee all rolled into one, with many other competition-worthy activities not yet purloined by the BBC. For all the details see page 10 and make sure your entry form is completed by Thursday 11th August!

Next month's Fun Day

The rumours about this event have been going on for months! Now the details have been fine-tuned and are revealed in this issue on page 8. It sounds as though this is going to be one of those events that no-one will want to miss. The event promises competitions, fun and games, music, cakes, and "fabulous prizes". What more could you ask for? Well, yes, you *can* even get your annual flu jab at the same time!

A job in the village

Reluctant to face rush-hour traffic on the Exe Bridge each day? Looking for training and qualifications? Opportunity abounds right here in Cheriton Bishop! Please see page 10 for the chance to work locally and learn new skills.

Have a day out in Dorset

There is, of course, nowhere quite so lovely as Devon. Why would anyone ever want to leave our rolling hills, our abundance of quaint thatched cottages and surfeit of cream teas? However, they say that Dorset isn't so bad as a second choice, sort of similar, just a bit smaller. However, they say a change is as good as a rest so, if you are feeling adventurous enough to travel to foreign places this summer, why not take the delightful opportunity offered on page 13? Have a great day out and at the end you can return happily to dear old Devon.

It could happen to *anyone*

On page 15 we have a helpful reminder from Brian that any one of us can be the victim of a scam. This is again a cautionary tale and shocking to read. It could indeed happen to anyone. Please see page 15.

Other things to do this month

Rain or shine, there is plenty to do in August. Here are some of the possibilities:

Look out old greetings cards for charity (page 17)

Consider becoming a Parish Councillor (page 6)

Visit Chagford Art Show (Page 18)

Have a moorland walk at Postbridge (page 16)

Excavate a historical dig (Page 19)

Visit Dunsford's Flower Festival (Page 18)

With loads of other things for which there is not room to mention them here.

So much to do and all in one month!

With best wishes for August from Jenny and the Newsletter team.

DON'T FORGET THE DEADLINE FOR THE NEXT ISSUE!: Friday 19th August at 6PM.

Parish Council Meeting – 11th July 2016

Bus Shelters

The Parish Council is continuing to look at replacing the bus shelters, investigating options, costs and funding streams. A number of designs have been drawn up and a preferred design has been selected by the Parish Council.

The Parish Council is attempting to replace both bus shelters (Eastbound and Westbound), however this will be subject to cost and funding availability. The design of both bus shelters is to be the same, however the intention is to increase the size of the eastbound bus shelter (towards Exeter). This requires the shelter to be moved slightly which may have planning implications.

New Parish Councillor Required

There is now an open vacancy for a new member of the Parish Council and the Council wish to co-opt a member of the community to fill this position. Please see the notice below.

Road Warden Scheme

There are a number of outstanding questions that need to be answered before the Parish Council can go about recruiting for the road warden scheme. The Parish Council is chasing answers to these.

Village Green

Councillors have organised the recent mowing of the Village Green. It was agreed that the Parish needs a long term plan with regards to the Village Green to make best use of the facility. It was agreed to make this an agenda item for the next meeting scheduled for September.

Any member of the Parish that has suggestions for increasing the usage of the Village Green should contact a Parish Councillor or e-mail the Clerk (clerk@cheritonbishop-pc.co.uk)

Moor Park S106 Money

There should be some money available to the Parish Council to come from the Moor Park development. This money will need to be spent on capital assets within public open spaces within the Parish. The Parish Council needs to decide how this will best be spent and are happy to take suggestions from members of the public.

Recycling

Following the introduction of the updated recycling scheme and state of the art facilities to support it, Mid Devon District Council is now reporting that over 50% of waste is being recycled for the first time ever.

Young Farmers Office

Work on the Young Farmers Office is coming towards a close and they anticipate that they will be moving into the building in September/October.

Defibrillators

The Parish Council is still considering the best locations for defibrillators within the village. A suggestion was raised that the porch of the Young Farmers Offices would be an ideal location as it is near the bus stops. The Parish Council is going to approach the YFC to ask if they would be willing to support this option.

Planning Applications

16/00895/FULL - Cheriton Farm, Cheriton Bishop full planning application
Erection of extension to existing livestock building (revised scheme)

Consultation as a neighbouring authority

From the Churchwardens

We have a quiet time over the summer, the church roof has been completed and gives a rest from specific fund raising. The inside will require decoration but we have been advised to leave it for at least a year to let everything settle down and the walls to dry out.

So, a restful, quiet summer to all, before we have our Harvest Festival on Sunday 2nd October.

The Olympics Rio 2016

The first of the two summer Olympic months has finally come around and the countdown clock to the games stands at just 5 days, and then 38 days until the Paralympics on 7th September.

Rio has been counting down for over 7 years. I guess there is a particular sport and event that you are looking forward to seeing. It appears the 100 meters final is one of the really big ones but it will be decided in under 10 seconds! There are new Olympic sports for Rio 2016, golf, rugby sevens and Kite-surfing. I am looking forward to the rugby sevens but I am not very optimistic that Great Britain will win the Olympic gold, however there is always a chance. Perhaps it is not just about winning, it is about the enjoyment of the sport. What is it about taking part that is so important? We have to look at the Olympic creed. The Olympic Creed says:

The most important thing in the Olympic Games is not to win but to take part, just as the most important thing in life is not the triumph but the struggle. The essential thing is not to have conquered but to have fought well.'

We can see by participating in an Olympic event you have already struggled and worked hard just to be there. That in itself is a great achievement that anyone can be proud of for the rest of their lives. There is something about the participation being so important that we can learn from. Sometimes we are half hearted or even absent because it is too hard, not exciting enough or we just do not want to participate. There is sense when we agree to do something or commit to an event. We should give it our best effort and do our best. By not giving our best or trying our hardest we are visibly saying that we do not care. My mother used to say "Do with good grace or don't do it all", that seems like sound advice.

The bible uses images of participating in a race. Paul reminds the Corinthian church that the race of life (1 Corinthians 9 vs. 24-26) is about an imperishable prize, eternal life. Eternal life is a free gift given to those who believe in Jesus, and so this makes us want to do our very best. The sense is that we should all enter, compete and be fully prepared for engaging in life. We are to be encouraged that God and the great cloud of witnesses who have already run the race now surround us and cheer us on in the race that is life (Hebrews 12 vs.1-2).

As we watch the Olympics and cheer on our favourites, let us also remember how hard the other competitors have worked in training. It is the same for God who sees all of our best efforts and encourages us to keep going and keep trying. It is taking part that really counts.

DON'T READ THIS IF YOU ARE SMUG ENOUGH TO THINK YOU COULDN'T BE TAKEN IN BY A SCAM!!

(no apologies for repeating March's headline' cause it's happened again!)

One of our respected families in the community, received a 'phone call very recently from a Detective Sergeant Elliott Reed of the Cyber Fraud Prevention Unit in the Metropolitan Police.

He told them that a Polish person had been arrested in London for being drunk and disorderly and when they took him back to his apartment, they discovered a mass of high value electrical goods PLUS the names and details of 30 customers of Lloyds Bank in Exeter, including theirs!

The Police advised that they had cancelled their account. The Met. had been in touch with Devon & Cornwall Police but they said they had neither the staff nor expertise to deal with it so the case was being handled from Holborn Police Station. They were given the contact number and to ensure they weren't being scammed, 'phoned back the number on a different 'phone. They got through to Holborn Police Station.

They were told not to contact Lloyds Bank as it was possible it was an "inside job", and they hoped to make an arrest by the end of the week!

Over the next 72 hours, contact continued including by e-mail, which contained the Met. insignia and other details.

A rapport was created and confidence built even to the extent that the Police told them that the Financial Services Authority would pay them £2000.00 in compensation and fine Lloyds Bank appropriately.

The writer spent well over an hour listening to the events of that period, which culminated in the Police saying they needed their credit cards and passports for "finger print" purposes, and new ones would be returned to them, the next day. They would send a courier round to collect them.

The courier arrived in a white Mercedes car just twenty minutes after the call and away went their cards and passports.

Within hours they discovered that their cards were being used to make multiple purchases on-line and by 'phone all under £300.00.

A neighbour contacted Scotland Yard to find that a Det .Sgt. Elliott was not employed by them! And the 'phone number for Holborn Police Station suddenly went dead as did the e-mail address!

The writer listened to their story and clearly they were dealing with very professional scammers (not a foreign accent to be heard). Everything about the events of those three days seemed very authentic – BUT IT WASN'T!!

Devon & Cornwall Police are following this up, but at the time of writing, there are no clues as to how they got our villagers' details, nor do they know, how much money has disappeared into the ether.

A possible clue – a misspelling in one of the e-mails – a frequent occurrence in scam e-mails.

No-one knows how this came about; it could have been documents put in the bin or could be from someone hacking into their internet banking account. In this respect, it is important that when signing off from your Bank Account you use the Bank's procedures to "Log Off".

The moral to this sickening story is always be over-cautious – assume the worse when anyone is trying to elicit personal information from you. These scammers are getting more and more sophisticated and friendly in their methods.

If you have the slightest doubt, DON'T GIVE AWAY PERSONAL INFORMATION.

And if you have a computer, log onto "Get Safe on –Line!", it gives free expert advice on all aspects of Computer Security – www.getsafeonline.

Finally, thank you to the victims of this crime who wanted us to publish it to help others from falling into the same trap.

Cheriton Tedburn YFC

The past month has been spent getting ready for our main charity event of the year (**Sunday 31st July from 3.30 pm**), a 5K fun run/walk in aid of Dravets syndrome UK. This is also the club's first event to be held at the new Young Farmers centre in Cheriton Bishop. Other activities last month included playing bubble football and taking part in the group round of the senior braintrust competition.

At this time in the Young Farmers' year most of the competitions have finished, except of course for the junior public speaking national finals. The Devon team this year contained two members from Cheriton and Tedburn; Louise Putt and Emily Rix. The team did fantastically well coming second with Louise Putt being named joint best speaker.

In the next month the club will be starting to prepare for the next Young Farmers' year as well as setting the foundations for several public speaking competitions.

Topic - Trapunto

Trapunto is not the new name of a range of Italian cars or an Olympic gymnastic's move but a form of Italian quilting! Sometimes known as the 'stuffed technique', it is a method of quilting enabling the surface of your work to become raised by slitting the back and inserting wadding. WCE welcomes Jane Hopkins as our tutor this month. She will guide us through this traditional technique, which could be utilised on quilts or to enhance a range of textile projects.

Please contact Nicky Westcott 01835 82517 or westcottnick@gmail.com for the list of things you will need for this month's class.

Walking Group News August '16

The June walk, planned for Lustleigh Cleave, had a last minute adjustment due to the weather and the likelihood of slippery conditions. Despite the rain the intrepid walkers went up to Belstone and, nothing daunted, had a good walk there; starting and ending at Moorgate Farm and walking over the bridges at Cullever Steps and taking a path leading south east up on to the Tor.

Last Sunday the July walk took us back to Fernworthy reservoir. We reversed the usual route reaching the dam towards the end rather than the beginning. We welcomed Linda and David, newcomers to the village, on their first walk with us and repaired to The Old Forge tearooms at Chagford for refreshments after our walk.....and as usual none of us could resist the cakes!

The next outing for the group will be Sunday August 21st. The venue has yet to be finalized but will probably be at Postbridge – to be confirmed. Watch out for posters nearer to the time. We'll meet at The YFC, as usual, at 1.30 pm.

Please note the dates for the rest of the year are: August 21st; September 18th; October 16th; November 20th; December 18th (this date is likely to be changed because of its proximity to Christmas)

If you would like more information, please contact Jane on 24092

WANTED!

Used postage stamps, old Birthday , Thank you and Celebration cards.

If you have any used cards that may be accumulating in drawers or cupboards, we can up-cycle them for charity. For many years I have supported a children's orphanage in India and we now have three groups who create new cards! We particularly need children's birthday cards but would be very grateful for any celebration card except Christmas cards. The latter are often sold for charity and it does not feel right to resell them.

Thank you very much for all the envelopes of used postage stamps that have kindly been slipped through our letterbox over the past few months. If you have any cards or stamps that you would like to donate, please pop them through my letterbox at Sunnyvale, Church lane. We are the house with black and white railings before you start climbing up hill to the church.

Thank you

NORTH EAST DARTMOOR CARE – CROWDFUNDING CAMPAIGN LAUNCHED!

The 21st July was a very exciting day for NED Care, as it saw the launch of our Crowd-funding campaign, kicking off with a launch event at Bovey Castle. As guest of honour, Judi Spiers described why she is supporting the NED Care project and urged others to do the same. You can see the video we made with Judi at <http://www.crowdfunder.co.uk/nedcare>.

Our leaflet, which comes out with this month's magazine, gives more information on how to donate. We would love it if you could spread the word by telling your friends about it, as well as by liking and sharing on Facebook.

We are raising funds in order to recruit a specialist care manager who can take us through the process of registration with the Care Quality Commission and launch of new, regulated home-care services.

North east Dartmoor is currently described as being in 'market failure' for social care. Although there are self-employed carers working in the area, if the Local Authority is managing someone's care then they have to use a regulated agency - and these are in short supply in this rural area.

We are continuing the popular Carer Introduction Service through which we introduce people seeking care to self-employed carers who are registered with us. Please do get in touch if you need care or other support. We are also seeking carers, cleaners and cooks who are interested in working on a self-employed basis.

NED Care is currently funded by the generous support of
the League of Friends of the Moretonhampstead Hospital.

ACE ARCHAEOLOGY CLUB

In June we had a lovely day out, in Cornwall looking at Blue Hills tin mine and Wheal Coats. If you would like to see some photos do have a look at our Facebook page.

In July we will be spending a day on pottery with a talk from David Dawson on making pottery and Graham Langman will also be attending and having a look at some of the pottery from our Moistown dig. We hope to be able to have a go at identifying what we have for ourselves as well.

At the end of August we start our main period of two weeks of excavation at Moistown. There will be an Open Day on the 27th August with tea and cake so do come along and have a look, we would love to see you.

As I have said before, we do not have a website right now but we do have a Facebook page so please have a look. Enjoy the summer, whenever it decides to arrive!

News from the Castle

Hello all

What a busy few weeks we have had!

We have just finished our Festival of Arts, which was 5 weeks of welcoming loads of different Devon based artists who have showcased their work. The stars of the show have to be the costume display by Plymouth College of Art students. They created 22 gorgeous costumes to re-create Frances Drewe's trousseau – the clothes she might have taken on her honeymoon. They are fantastic and have really brought the house to life. We finished with hosing the Devon Art teachers conference, which was such a privilege to be involved with, and a fantastic performance by the wonderful people from Get Changed Theatre Company and Petroc college, Time for a rest now I think! Oh... if only.

We are counting down to the big event of the year – the Chagford Show. I hope to see many of you there so please pop in to our marquee to say hello. This year, our theme is 'come rain or shine'. Weather seemed an appropriate theme for us.

I realise that it must seem like I have been saying this for ages, but the rest of the central scaffolding is finally coming down. Honest! As I type this, we can see the front entrance to the castle again. Now we can re-group and get ready to start the final section. PHEW!

Fingers crossed for a lovely sunny summer holidays.

Best wishes everyone
