

“The 2021 Cheriton Footpath Challenge”

If you are looking for something to do over the Summer holidays, why not take up the Cheriton Bishop Footpath Challenge?

There are 12 footpaths and 4 bridleways criss crossing the parish. The Challenge is to discover and walk them all by mid September 2021.

Finding the walks

Search for the Devon County Council Public Rights of Way website and click on ‘view rights of way on a map’ or click on the link below which should take you to the Devon County Council Environment Viewer <https://maptest.devon.gov.uk/portaldvl/apps/webappviewer/index.html?id=82d17ce243be4ab28091ae1f15970924>

Search for Cheriton Bishop and you will find all of the public rights of way around Cheriton Bishop highlighted in either green (bridleway) or pink (footpath). Clicking on the green or pink lines will give you the number of the path and which parish it is located in.

How to enter.

Use the table below to tick off the walks as you complete them. Tables can be downloaded from the Cheriton Bishop website or from our Facebook page. Once you have completed all the walks, complete your details and return the form to any member of the parish council. There will be awards for the most junior entry, the most senior entry and the fastest entry. Winners will be announced in the October edition of the parish newsletter

Good luck and enjoy the walks
