## The News Letter, October 2015

We have a real bumper edition for you this month, with reports and news of forthcoming events from just about every organisation in the parish. There is so much going on in the next couple of months from the Harvest supper and Festivals at the beginning of October, right through to where to buy your tree for Christmas! Well done to all our organised organisations who have contributed so fulsomely to our pages this time!

### Family History

We are delighted this month to include a report from our most local WI. It is some years since the Cheriton branch disbanded and many of the remaining members ventured over the border on a Tuesday evening to Tedburn St Mary, so we very much welcome this new monthly addition to our newsletter. This month the topic is investigating your family history and fans of the BBC's "Who do you think you are?" will be interested to find out how to discover their own heritage. And, would you believe it, for this meeting they are even inviting the males of the species to join them – whatever next? (Nice to have a few basses to join in with "Jerusalem" perhaps?). Please see all the details of this on page 21.

### Auction of Paintings and Promises

Well, Ladies and Gentlemen, the evening is almost upon us when the Church Roof fund will hopefully receive another hefty boost with this eagerly-awaited Auction. All sorts of wonderful things are on offer and there is still time to add to the list. Have a look at page 7 and see if there is something there to take your fancy – you can even be taxied to and from the venue at Woodleigh Coachhouse if necessary!

### Don't forget the Singing Day

Not to be forgotten is another Church Fundraising event, which has become a popular annual occasion for all those who enjoy the challenge of attempting to master and sing a complex choral work and then give a performance of it within one day! For those who love the beautiful music of Haydn but are vocally-challenged there is a chance to go along and listen to the 'end product' as the afternoon draws to a close. For details please see page 8.

### Nervous about singing in public?

And if you would like to be one of those singers but don't feel that confident, why not consider a relaxed and fun alternative advertised at the top of the same page? If you would love to sing but don't know where to start this could be the group for you. It sounds as though you will be very welcome.

### Place your order!

Feeling a little peckish? Two occasions are coming up where the parish can feast in amiable and jolly company. Both have become village institutions in their own right. The first is advertised on page 10 where there may or may not still be tickets left by the time this magazine goes to print. The other is on page 20, and orders are only just being taken now so you may be in luck. Both come highly recommended by the gourmets of the district – particularly if you like puddings...

### Scouts Update

Do you remember over recent months reading news in this magazine of various fundraising activities to send a group of local youngsters to Japan? Well they raised the money and now they have been and come back and are full of the news of their trip. Read how they got on ... as well as finding an opportunity to place your order for a Christmas Tree ... on page 19.

### Art Show at Doddi

Did you enjoy venturing down to Dunsford last month to see their Art Show in the Church? Now it's the turn of Doddiscombsleigh to stage an exhibition. Read pages 22 and 23 for all the News from Elsewhere.

### How to park a vehicle

PGR asks a rhetorical question at the end of "Snippets" this month (pages 16 & 17). Which reminds me, we haven't had any Letters to the Editor this month! How about sharing some thoughts and comments with us next time?

*With best wishes for October from Jenny and the News-letter team.*

## Public Open Session

Report by Julia Darby, Development manager, of NED Care explaining the social care project. The project is looking into the state of care in the North East Dartmoor area. NED Care is a not for profit organisation aiming to develop and deliver high quality care services.

## Councillors Reports

- Complaints from a number of separate parties regarding noise from Higher Eggbeer Farm. Regular events which are causing noise until late with reports that music has continued until 2.00 am on occasions.
- Councillors asked whether there has been any news on planning enforcement at Argermay. Discussed that there is a possible new owner with their own development plans but there has been no planning application submitted to date.
- There has been further development at Venbridge Grange including a waste water/sewage treatment system.
- Road between 4 Cross Ways and Hole Well continues to be in a very bad state of repair. County Councillors confirmed Highways are aware of this but funding remains a major issue and the majority of roads remain in disrepair.
- Neither the County Council nor District Council will now fund grass cutting around the village. Parish Council will indicate the willingness of volunteers to cut the grass verges and ask MDDC about the training offered and insurance for this. Also request an estimate from MDDC for cutting the village green.
- The litter pick and village tidy is scheduled for Saturday 17<sup>th</sup> November 2015 from 9.30 am meeting at the War Memorial.

## District and County Councillors reports

- District Councillor confirmed new recycling process has been a huge success with a 4% decrease in landfill.
- Discussed continued issue of speeding especially in the 20 zone along Church Lane. County Councillor suggested councillors look at the website '20 is plenty' which is an interesting read. County Councillor is aware of the complaint but again mentioned that the police do not believe there is a problem due to monitoring which has taken place. Again the monitoring was questioned by Councillors.

### **Churchwardens News**

As the seasons change we begin to prepare for Harvest on Sunday 4<sup>th</sup> October. The bell-ringers, choir and flower arrangers are practising and planning for the event and we look forward to a joyful service at 6pm singing many of the traditional harvest hymns. The collection this year will go to Shelterbox, to help some of the refugees streaming across Europe. Gifts of fruit, vegetables, tinned and dried goods are welcome – they will be taken in to Age Concern afterwards and used in their lunch club. Donations can be left in the porch or placed on a window ledge a day or so beforehand.

One last note from the Flower Festival – the number of mice in the church was 53, and congratulations to Rebecca Tripp, who was the only person to accurately count them. Well spotted – it took a week before we found the last one when collecting them up afterwards!

The annual churchyard working party will be on November 7<sup>th</sup>, starting work at 10am. As usual coffee, lunch and afternoon tea will be provided for the workers as a thank you. Please bring any tools you might need. I think everybody will agree that the churchyard looks much better this year than it did last, so ‘thank you’ to the ‘Friends of the Churchyard’ who have helped in any way. More volunteers would be welcome!

### **An exciting time to get involved.**

I wonder if, like me, you were curious when a single rugby post appeared on the grass by the Exe bridges last March?

I was puzzled, and next time I drove past I looked more closely to find out they were advertising the Rugby World Cup which was coming to Exeter for three of its pool games. There are ten of these rugby posts. I have only spotted four of them on my travels around Exeter. My enthusiasm was slightly curtailed by my failed bid to get tickets for the games at Sandy Park. I was surprised that they were so oversubscribed but that surely is a good indicator of how popular and how aware people are that the Rugby World Cup is coming to Exeter.

If the world rankings are correct, the final should be between Ireland and New Zealand. I would be surprised if that proved to be correct because Ireland have never reached the final and New Zealand have only won the World Cup in New Zealand. Only time will tell who will be in the final on the last day in October. Whoever reaches the final it will be hotly debated who will eventually win. It will come down to who does better on the day. Previous results and form will count for nothing when the whistle blows for the start of the final.

The rugby post on the grass by Exe bridges is a reminder of something bigger that is going to happen. As we have been reading through Mark's gospel there is a similar sense that something big and important is going on around Jesus and his disciples. Unlike the Rugby World Cup there is not a schedule to refer to for more information. People think so much of Jesus that they want to make him king, but Jesus quietly slips away from the crowds and focuses on what God wants him to do. There is a sense God's kingdom has broken through here on earth. The challenge that Jesus gives people is, do you carry on with paying lip service to a relationship with God or do you get involved by turning back to God and giving God a chance to guide and direct your life? As we look at Jesus we see that he makes a huge difference to those around him and he wants no credit but rather he redirects people to God who really makes all the difference. I think it would be hard for most of us to say that we have never been aware of God, but have we really got involved in God's work with those around us.

Returning to the Rugby World Cup the team who focuses on each game and takes nothing for granted will mostly likely succeed. The emphasis is all about team work rather than individual performances or brilliance. Jesus reminds us to get involved in God's work and to take no credit for our involvement but to redirect people to renewing their own relationship with God.

## **Cheriton Bishop Community Primary School**

### **Snippets from the Classroom and Beyond**

No 174 October 2015

Well now, the Autumn term has really started with a great splash. This term I can report that the school now has 78 pupils – yes, Seventy Eight! I don't know whether that is a record number in recent times but it really does reflect on an effective and successful school. I know that each and every child will get all the help and attention they require whilst attending the school. Well done Cherry B.

Here's a bit of a success story for the school. As many of you will know, it was Tedburn St. Mary Fair the other weekend. Amongst other things, they held a **Handwriting Competition** for children and there were several children from CB who took part. I am delighted to let you know that we did exceedingly well with the following results:-

Highly Commended for her writing – **Lily-Sue Bridges**

In Third Place – **Isabel Chudley**

In Second Place – **Holly Talbot**

And, to top it all off:

In First Place – **Zoe Stickland**

What a fantastic result for the children. I think congratulations are in order, well done.

The school keeps the parentage up to date with a weekly newsletter, and at the start of the term, and at half term lets the parents of each individual class know what will be required of each pupil and how much input the parents are expected to put in. Reading at home forms quite a large part of this requirement. The up-coming syllabus is also explained. For the whole school, this term's theme is 'Journeys' so expect to find questions on journeys during the rest of the term.

On, then, to some of the things due to happen in the near future. Although it will have happened before this edition of Snippets is published, I must make mention of the annual 'Jeans for Genes Day' due to be held on 18<sup>th</sup> September. Over the last 20 years this most worthy cause has raised over £40 million to help children affected by genetic disorders and each year CB does their little bit. Did you realise that 30,000 children are born with some kind of genetic disorder. That equates roughly to one child in every classroom – food for thought, isn't it? For our Jeans for Genes contribution, the children are asked to wear any clothes they like as long as they include a pair of jeans. They (their parents?) are charged £1 for the privilege!

On the calendar you will find something called 'School Council Elections'. No, it's not politics creeping early into education, but a way of involving pupils in the running of the school. It gets them really involved!

Looking at the list of clubs and after-school activities, there is still a lot going on to interest the children. There are the Gardening Club, Netball Club, Board/Games Club, West Exe Football Club and the Lego Club. If any parent has another interest that might appeal to the children, I'm sure the school would be delighted to know of it.

On the sports front, as well as the Netball and Soccer mentioned above, Okehampton Under 8's Tag Rugby Team is on the lookout for more players especially from Year 3. They practise on Friday evenings

and their matches are held on Sunday mornings. Both boys and girls participate – it might be a great way of using up excess energy!

It's one of those things that is easily forgotten or overlooked. Some children do need medicines etc held for them by the school. For those involved, do make sure that your child's medicines are still in date!

Later on this term, the children will be involved in a poetry and art week about where our food comes from. It goes by the title of 'Farm to Fork'. Of course, the school's Harvest Festival will be held during that week.

**18<sup>th</sup> September – Genes for Jeans**  
**24<sup>th</sup> September – School Council Election**  
**25<sup>th</sup> September – Life Skills – Year 6.**  
**5<sup>th</sup>-9<sup>th</sup> October – Farm to Fork – Poetry and Art**  
**6<sup>th</sup> October – School Harvest Festival Service – St Mary's Church 1500**  
**26<sup>th</sup>-30<sup>th</sup> October – Half Term**  
**15<sup>th</sup> December – Christmas Play**  
**17<sup>th</sup> December – Christmas Fayre**  
**18<sup>th</sup> December – End of Autumn Term**

Time really does march on, doesn't it? Here we are, still in September, talking about Christmas activities already.

So, what of other activities outside the orbit of the school. I left you with mention of a Jazz evening up at Okehampton station. It turned out to be a most enjoyable evening. There were five attendees from Cheriton Bishop, and I think I can safely say that we all thoroughly enjoyed the evening. All told, there were between seventy and eighty people in the audience of jazz fans. We listened to the music for a while before all embarking on the train to visit Meldon Viaduct whilst still in daylight. Return brought us to platform 3 where the band continued to play while the barbecued food was distributed – very good food it was too. On completion it was back on to the train, complete with band, down to Sampford Courtenay station where there was time for further musical renditions on the platform. Back onto the train and we were taken on down to Bow station where the band disembarked for another display of their virtuosity on the platform. Refreshments were served. The final leg of the evening took us back up to Okehampton station where we took our leave of a very successful evening. Many thanks are due to all who contributed to the evening!

Now to the 'not-so-good news' - Mrs Mary Trant has decided to call it a day at the Bulleid Buffet up at Okehampton. She has been working there for the past 12 years and her cooking fame has spread far and wide in that time. She successfully built up the business creating a regular customer base over the years and especially since BARS took over the railway. Despite the hiatus last Christmas when the buffet had to shut for the Polar Express, she was successful in attracting her customers back after the 6 week break. She will be sorely missed.

Moan! Is it necessary for one vehicle to occupy the whole parking area in front of the shop denying other vehicles access? It is rather selfish of those who do it. Buck up!

That's all for now.

## **Walking Group News** September/October '15

Publication dates being what they are, this month the newsletter is being collated over the weekend of the September walk. So I am able to report on last month's walk and advertise the one planned for October. In August, eleven of us did the Steps/Clifford/Steps route (enjoyed by everyone, and dogs) and finished up with tea at the Walled Garden in Dunsford. I can personally highly recommend the lemon drizzle cake.....delicious!

When you read this, those of us who made it to the walk on 20<sup>th</sup> Sept will have circled the tor at Belstone, hopefully in lovely weather. We probably won't be worrying about high factor suncream whatever it's like.

The October walk has already been planned and will take place on Sunday 18<sup>th</sup> October. We will meet at 1.30 as usual and Caroline and Nigel Stocks have done the donkey work and have located 3 walks all starting and finishing in Simmons Park in Okehampton. They are 2.5 , 3 & 4 miles and easy to moderate going. Caroline suggests the Taw River in Sticklepath for tea after our walk. Those of you reading this who have not been on one of the walks will note that treats are very important to us and tea is crucial to the planning of the outing!

If you like cake you'll enjoy the Walking Group walks. Come along and join us sometime, we'd love to welcome you.

**Tuesday October 6th - 13.30- 16.00 Village Hall**

Following a very creative day with Steph Francis in September, this month we will be gathering for our Annual AGM and an opportunity to share ideas on what we can turn our creations into, perhaps a cushion, box, bag or something completely different.

New members are always welcome, pop in and see if WCE is for you. Please contact *Nicky Westcott* 01835 82517 or [westcottnicky@gmail.com](mailto:westcottnicky@gmail.com) for the list of things you will need for this month's class.

Stop press: A date for your diary next year: We will be holding the Spring Embroidery Fair (formerly known as the Textile Fiesta) on the weekend of 16<sup>th</sup> and 17<sup>th</sup> April.

## 1<sup>st</sup> Tedburn and Cheriton Scouts Update

I thought it might be a good time to update everyone on what we have been doing at the Crofters Mead site in the village.

The Scouts have been at the site for a number of years and during the 90's raised money to build a store to house all of the camping equipment.

However, without a proper Scout Hut it has only been possible to use the site from Easter Half Term until Autumn Half Term, during the remainder of the year we have moved activities to the Village Hall.

I became treasurer in 2008 and along with a willing bunch of volunteers we set about raising money to build a permanent Scout Hut. In January we were awarded a Lottery Grant, which finally helped us reach an amount to get the project started. We have been generously supported by Lawrence Treascher from Cladco of Okehampton, who has kindly provided all of the cladding for the building, which has meant that by the end of September we will have a permanent Scout Hut on the site.

Once the building work is fully complete we will have a grand opening, which I would be delighted if as many residents from the village as possible would attend. I will publish the date once it is known.

This year has seen 3 of our Explorers attend the World Scout Jamboree in Japan, Lauren Parsons and Howie Squires as participants and Lewis Dyson as part of the International Support Team. This fantastic experience saw them attend the Jamboree with 35,000 other Scouts from over 150 countries, spend time living with a Japanese family, visit Hiroshima on the 70 anniversary of the atomic bomb, travel on the Bullet train, and a stay in Japan. Many thanks to those who supported their fundraising.

The Scouts summer camp was abroad for the first time, and saw them visiting France. Activities included an enormous tree top activity centre, visit to the Allied war graves in Normandy, a day at a theme park and hiking. Thank you very much to Simon, Ollie and Jane for organising this trip.

Our annual fundraising ball is on 21<sup>st</sup> November at the Oak Barn, Hittisleigh. This year, we are having a "Grease" themed night, Tickets are £20 per person, which includes food and disco, and there will also be a cash bar.

Now I know it is a bit early, but we have been planting Christmas trees on the Crofters Mead site now for many years, and I am pleased to report that we now have some fantastic trees available for this year. So why not support your local children and buy your tree from us. You can choose and reserve your tree in advance and collect on either Sunday 6<sup>th</sup>, 13<sup>th</sup> or 20<sup>th</sup> December.

For more information on Tedburn and Cheriton Scouts, to buy tickets for the Grease ball, or to reserve your Christmas tree, you can call me on 01647 24070.

## CHERITON BISHOP HORTICULTURAL SOCIETY

The **Next Meeting** of the Hort Soc will be our AGM on **Monday 19<sup>th</sup> October, 7.30 pm in the Spalding Hall**. The AGM business won't take too long and there will also be a really interesting talk on **Autumn Camellias**. If you thought camellias only flowered in spring you will be fascinated! As regards the AGM side of things the officers for next year will be elected and an invitation is extended to the current members to join the committee. Those of us on the committee are always delighted if anyone wants to join us and help with the organizing of the programme and shows for the coming year. There are about six committee meetings in total each year (well lubricated with tea and cake and a bit of gardening gossip!) and at these we decide on the speakers for meetings, the schedules for the three shows, plus the annual dinner and occasionally organise summer outings. It's good fun and very satisfying, especially after one of the shows when you might be worn out but pleased to see how much enjoyment has been received by participants and visitors. Please give it some thought before the AGM!

*Please remember if you haven't paid your subscription yet that John will be collecting these at this meeting. Seed Catalogues may also be available at this meeting with a potential 40% discount on orders!!!*

**The ANNUAL DINNER is on Saturday 14<sup>th</sup> November in the Village Hall, 7 for 7.30 pm.**

Please choose from this year's menu below and let us know if you would like to come and what you would like to eat – so that we can cook enough!:

Succulent Salmon  
Chicken Surprise  
Roasted Ham  
Devonshire Beef Cobbler  
Vegetable Lasagne

The meal costs £8 and includes fruit punch, but please bring your own drink of choice if you would like to.

And **please bring a pudding!** – our renowned Pudding Table is annually filled by the generous cooks of the parish and everything contributed will very rapidly disappear into happy people by the end of the meal!

*To book your meal please phone Sally Burton on 24724.*

*For any information or details about the Hort Soc please phone Marilyn Brook on 24419.*

### **News from the Castle**

What a lovely month we have just had! The highlight for me has to be award winning artist Diane Bailey and renowned printmaker Marielle Ebner-Rijke, being on-site for 2 weeks. They were displaying their most recent work as part of Devon Open Studios and it was fabulous working with them. We also had the official launch of the beautiful photos created by Mike Smallcombe. Thank you to everyone who joined us to celebrate the hanging of the tenth photo on the croquet lawn. We now have 4 in the garden, 2 at the start of Hunters Path and 4 alongside the river. Maps are available in the visitor centre.

The building work is still moving in the right direction. The granite slab work is now being placed on the completed sections of roof at the south end of the building and it looks wonderful. We are still hopeful that the scaffolding will come down in October and we can't wait to see the main entrance tower exposed again.

Finally, we have a few exciting things to look forward to. We are keeping everything crossed for glorious autumn sunshine so we can make the most of walking through the autumn colours and it will inspire us for a community art workshop taking place on 12 November in partnership with Learn Devon. There is also a special woodland deer walk and breakfast with Ranger Mick on Saturday 17 & Sunday 18 October, 7.30-10am, £17.50 per person (£10 children). Make sure you book though as this is very popular. And last, but by no means least, we have our Meet the Builders event on Tuesday 27 October. If you have been pondering about pointing or wondering about windows, please pop along to chat with our resident experts. There will also be special behind-the-scenes tours too.

I hope that many of you will pop in to see us over the next couple of months.
