Welcome to the Newsletter

Welcome back to the October issue, This month, the clocks will go back on 27th as we head into my favourite time of the year. Autumn is full of lovely colours and crisp, clear weather. Not so keen on the sheer number of spiders in my house, but love seeing all the amazing fungus on my walks.

Remember, if you don't mind children knocking on your door for Halloween on October 31st, please display your pumpkin proudly outside your house and make sure you have a few tasty treats to hand out! It has rained the last few years on Halloween, so I'm hoping we have clear skies full of stars.

We have a lot of interesting articles and great events this month, including:

Autumn Tidy Up

**Saturday 5th October, from 9.30am,
The Stone Cross**

Harvest Service

**Sunday 6th October, 6pm, St Mary's
Church followed by...**

'Bring & Share' Supper

The Spalding Hall

Return of the Quiz & Curry Night

**Sunday 6th October, from 6.30pm,
The Old Thatch Inn**

What's On?

Dartmoor Creative Textiles

It was wonderful to welcome new members to our September meeting and we all enjoyed mastering the skills for macramé. It took a few of us a little longer than others but the results were spectacular. Using these basic techniques, we can explore weaving into a macramé network and wall hangings .

Exeter Cathedral Visit

**Tuesday 1st October, 1.30pm - 4pm,
Cheriton Bishop Village Hall**

This month, the group have been invited to Exeter Cathedral to tour the embroidery and textiles kept in the archives and also to gain an insight into the designing and construction of new vestments for the clergy.

In November we welcome Barbara John to our meeting. She is an extremely accomplished embroiderer, as well as branching out to use new materials and techniques. The topic is 'scenes of Dartmoor', working from photographs, to create a textile scene.

You can contact me via email below if you interested in joining us or drop into a session.

Elaine Clark, elainejclark@hotmail.co.uk

Short Mat Bowls

Bowling season has started in the Village Hall.

If you would like to come and join us, please contact me on **07775 813 676** or **01647 24582** for more information.

Men's Sheds

**Thursdays in October, 9:30am to 12:30pm,
Embercombe, Higher Ashton, EX6 7QQ**

What are Men's Sheds?

'Sheds' are kitted-out community spaces where men can enjoy practical hobbies. They're about making friends, learning and sharing skills - and for a bit of banter over a cup of tea or coffee. If you have skills to share, or you have very little or no experience and want to learn, then you will be very welcome! There is an annual membership fee of £10, and a session fee of £5 for each session.

Coffee & tea available. A minibus (courtesy of Acorn) is available most weeks if required, at £5 per session. For details, to register an interest, or to arrange transport, please email teignvalleyshed@gmail.com.

The **Annual General Meeting** will be held during the coffee break at 11am on Thursday 3rd October.

Letters to the Editor

The Late Reg Chapman

My family and I would like to thank everyone for their kind condolences, attending the funeral, donating and offers of help when I lost my husband Reg after a long illness.

He was certainly one of the old characters of the village. Ex-publican of The Good Knight Inn, (now the Young Farmers Hub), he managed a Pheasant Shoot for many years and was an old YTS boy to his farmer friends.

He lived a good full life but will be sadly missed by all of us.

Contributions at his service was £634.90, donated to Cheriton Bishop Surgery with all my thanks for all your help over the years. I would also like to thank the family and staff at Fingle Bridge Inn for the splendid spread afterwards.

Thank you all again.

Hazel Chapman & family

Got a Panto in You?

With the Panto season rushing towards us (we will start rehearsing for January's performance in just a few weeks), it is time for us to start considering the 2026 Panto. This is the opportunity for the budding writers among you to get the chance to write a script for the 2026 performance. At this stage we are looking for details of your ideas and it is very easy for you to start your journey.

We have developed guidelines to writing a suitable script plus a template for you to complete with the details we will need to see when making our choice for 2026. Your submission should reach us no later than 25th November 2024.

So, What Next?

Go to www.dadsonstage.co.uk, from the home page select 'Take Part' and open Option 2. You can now download both the guidelines and the submission. Once you have completed the submission please email it to Chloe, the Artistic Director of DADS: chloe.sharland@gmail.com

We look forward to hearing from you.

Can You Help?

I work with a charity in South India who support destitute children from Tribal areas in Tamil Nadu, South India.

You may have watched Freddie Flintoff and his fledgling cricketers in Calcutta interacting with children from a charity. I would like to take out some cricket bats, especially smaller ones, beanie toys or small cars, hair bands and hair slides for the children at the Goodwill children's homes and tribal villages.

If you have items that your children may have grown out of, I would be very grateful for the donation.

Please leave donations at Sunnyvale, Church Lane (black and white railings) before the 7th October.

News from the Moor

I hope that you managed to find a glimpse of summer from time to time. As I write, we seem to have jumped straight into late autumn. I'm hoping for a return to kinder weather as I will be setting off on my fundraising walk along the 108 miles of the Dartmoor Way. The mission is to raise money towards getting a fully accessible toilet on Dartmoor with a hoist. Thank you to everyone who has made a donation – it is very much appreciated. It's not too late if you'd like to support by donating on our Just Giving page Paula Clarke is fundraising for National Trust (justgiving.com)

While we are talking about fundraising, thank you for all the support for our second-hand bookshops at Drogo, Finch Foundry and Lydford Gorge. Already this year we have raised over £20,000 which will make such a difference to helping us care for these wonderful places. We are always on the lookout for pre-loved books (especially children's books that fly off the shelf within minutes). Please do pop in with any books that you are looking at re-homing. All we ask is that they are clean and tidy.

Next month will be busy with some of our regular community activities taking place. The inter-school cross country run will be back for the 9th year on Thursday 7th November with 150 children from local

primary schools running a 1.5 mile route at the top of the Gorge. I have no doubt that you will hear the children cheering each other on from miles away!

We then have the **Drogo 10** taking place on Sunday 10th November. This is when 500 brave souls tackle the challenging 10 mile run through the Teign Valley from Castle Drogo. The race starts at 10.30am after a minutes silence is held to commemorate Remembrance Sunday. Good luck to everyone taking part and thank you to our neighbours for their patience on such a busy morning.

One of my favourite events of the year is taking place on Saturday 23rd November at Finch Foundry. We will be marking St Clements Day at Finch Foundry together with our local blacksmith community. From 10am until 4pm, Finch will be ringing with the sound of blacksmiths marking the day of their patron saint with displays, demonstrations and competitions. It is a busy event so, if you are able to, please come along by foot, cycle or bus to help with car parking. Everyone is welcome to join us – it is a wonderful event.

Best wishes all,

New Parish Councillor

We're very pleased to say that a new volunteer Parish Councillor was co-opted at our September meeting. Adrian Fry moved from Crediton to Cheriton Bishop with his family a year ago. Adrian has experience with local council activities in Devon and is keen to 'give back to the community' in his new role.

We Need Your Help

Adrian brings our numbers to 5 councillors, leaving 3 vacancies still to be filled. Please consider if you can also contribute to our discussions, decision making and projects as a councillor.

We are currently planning considerable investment of funds, including the

community payment from the Bunny Homes development, so we are keen to have a wide range of representatives.

The minimum time required would be to attend most of our monthly meetings, which last from 60-90 minutes.

If you would like further information, contact any councillor for an informal chat. Contact details are in this newsletter or on the Parish Council website:

WI is back to business as usual. The September meeting was very well attended, we welcomed new members and 2 visitors, hopefully they may decide to join us.

Our Speaker told of Medical Detection Dogs who are able to detect some cancers, diabetes and UTI infections in humans. Dogs have many million receptors, many more than humans and are able to detect changes in our bodies. The charity relies solely on donations and volunteers to continue their work.

When you read this newsletter, Tedburn Fair will be over for another year. We hope it has been successful and that you have enjoyed our tea, cakes and savoury items and a welcome sit down in our tea tent.

The October meeting is our Open Evening when we welcome members and visitors. Karen Wilson & Malcolm Little will be telling

us about our Tedburn History, many of our readers will be aware of the History Society and the work that has been done to archive many documents, all to be found at the Little chapel on the Whitestone Road. We look forward to the evening, visitors will be charged £3.00 and Tea, Coffee and Biscuits will be served.

Future Events

Outings to Truro Christmas Market and a walk on Dartmoor also the WI Annual Carol Concert in Exeter Cathedral are Events to look forward to.

If you are thinking of joining us, remember the first meeting is free. Please contact Jane for further details on **07814 659526**.

Community Allotments Project

Do you have available land or know anyone who has?

Cheriton Bishop Parish Council is still seeking a landowner to help us provide allotments for local families and individuals. We are looking for an area of at least one acre to rent on a flexible basis. Another possibility might be the donation of a plot of land to the community, named for the donor or someone else as a memorial.

The Council will arrange a contractor – or pay the owner, if preferred – to install a perimeter fence (where needed).

Allotment plots would be approximately 25m x 5m. We will also meet the costs of extending a water supply to the site from the nearest source, if necessary.

We welcome proposals – and we understand that some flexibility may be needed – with the ideal site having the following characteristics:

- Less than 1 mile from the village centre.
- Reasonably level (or at least a consistent moderate slope).
- Reasonably well drained for most of the year.
- Access to a road, with the potential for bringing vehicles on site in the summer, and possible parking off site close by.

The site would be rented and maintained by the Council, with a volunteer committee from allotment holders managing membership, plot rentals and site rules. There would be no permanent buildings erected on site by allotment holders.

Withdrawal of Winter Fuel Allowance

It was recently reported that over 40,000 people in receipt of their State Pension have applied for Pension Credit in the wake of the Winter Fuel Allowance being withdrawn from every pensioner who is not claiming Pension Credit, and the announcement that energy costs are set to rise this Winter by around 10%.

Pension Credit is available to single people whose weekly income is less than £218.15 or couples with a weekly income of £332.95. If you receive Pension Credit, you could also be eligible for a number of other benefits to help you make your money go further.

You can apply for Pension Credit online at the gov.uk website if you are already claiming your State Pension or there is a Pension Credit Claim Line open Monday to Friday 8am-6pm. That number is **0800 99 1234**.

You can also download or request a form that you can fill in and post. You will need to have details of your income, savings and investments and your National Insurance number. The Department of Work and Pensions has also launched a Pension Credit take-up campaign following the changes in the Winter Fuel Allowance payment.

Our advice is to ring the Pension Credit Claim Line because the trained advisers on these phonedlines can quickly establish which questions are not applicable to individuals and answer any questions as you go along.

The bottom line being that it is well worth a look and if it seems a bit daunting, the people manning the phone lines are trained to help you.

We may also be able to give you some helpful advice regarding fuel economy and efficiencies and we do still have energy vouchers available.

Take a look at www.citizensadvice.tnmwd.org.uk or call us on our free, local AdviceLine number which is **0808 27 87 999**.

We are here to help and even if it turns out that you do not qualify for Pension Credit, it may be that we can see other help that is available to you.

What Went Right this Week

A friend recently told me about a magazine called 'Positive News' which, after doing a bit of research, has the intention to inspire people and spread good news in the world.

After looking this magazine up, I subscribed to it as I was so surprised by how uplifted I felt by reading some of their articles, which were full of hope, optimism and joy. With so much 'bad' news around, it was refreshing and reassuring to see that it's not all 'bad' and that there are actually a LOT of good things happening which just aren't highlighted in mainstream media.

Every week, the magazine produces a round-up of some of their most positive articles called 'what went right this week'. I read the most recent of these and it was so heart-warming to learn little snippets of upbeat news across the spectrum of health, society, economics, and environment amongst other things.

It got me thinking that this concept of 'what went right' could be turned into a nourishing practice every Sunday evening to slow down and think about some positive events from the week. Unfortunately, it is often perceived 'bad' events that can take the focus of a week, with the 'good' bits being taken for granted or forgotten about.

You could spend as little or as long as you wanted on this exercise, but I can almost guarantee that spending even just a few minutes thinking about the things that went right can encourage optimism and gratitude.

Some things I thought of that went right for me this week:

- My car started when I got into it, and I got to my practice safely everyday
- My dog's health is improving
- I saw a deer in my garden
- I had an amazing meal at the Bridford Inn
- I wasn't worried about all the rain on my now fixed house roof
- I had warm water to have a shower
- My fridge was working
- I have my sight, hearing, taste, touch and smell to experience life

...I could go on!

Often when we feel things are going wrong, we think they'll never end. And when things are going right, we think they'll never last... But when we focus on the seemingly small ordinary things, we realise that a lot goes right, a lot of the time!

Here's to not taking the wonderful little everyday things for granted!

With love and appreciation!

In the Garden

Autumn Gardening

This is the month when leaves begin to fall and need raking up, a good warming job on a cool day. Save the leaves in perforated bags or bins and they make valuable compost in a few months. If you have leaf mould or garden compost from last year, now is a good time to spread it on any bare garden soil. This leaves space in your compost bin for the dying foliage that you might want to tidy up in the borders.

Tender plants in containers might need to be brought indoors. Leave them as long as possible but look out for cold frosty nights. You shouldn't be feeding them as any soft growth will be more easily damaged by cold weather.

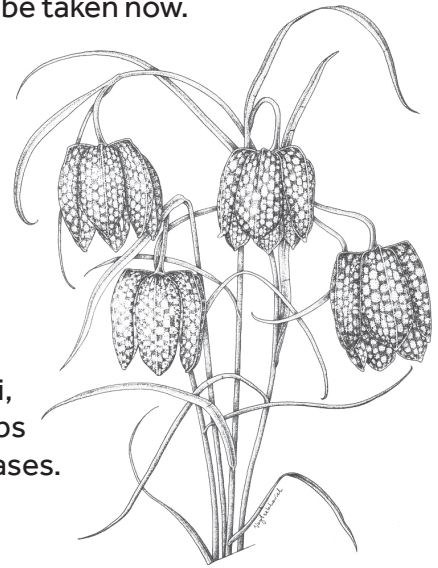

I grew my dahlias in pots this year, partly to deter slugs, but also so that they are easier to move indoors when necessary. Keep dead heading to encourage dahlias to carry on producing their bright and cheerful flowers for as long as possible.

Prune climbing roses, removing some of the old stems and shortening the side shoots. Hardwood cuttings of roses and any other favourite shrub, can be taken now. Simply cut a piece of well ripened wood and push it into the ground where it can stay undisturbed for at least a year. It will slowly produce roots and can then be transplanted.

Save seeds from perennials on a dry day. Clean them and store them in a cool, dry place, ready for next spring.

Also, looking forward to the next growing season, plant narcissi, fritillaries and crocus, either in pots or in the ground. Leave tulips until next month so that they are less likely to succumb to diseases. Enjoy choosing some varieties that you haven't grown before.

Message from St Mary's

The Unchanged in the Changing Months

As we move into October, I am reminded that it used to be the eighth month of the year and December was the tenth. So, by October you were eight-tenths of the way through the year.

What is interesting in the old calendar, is that it stopped counting in the winter and just waited for Spring.

There is a sense that the season stops or becomes frozen until winter releases its icy grip.

It is interesting in both stories and fairy tales, there are places frozen in winter waiting for a hero to release them from the perpetual frozen darkness. There is a sense of being caught between life and death. Without light and warmth, very little flourishes, it is a battle just to keep alive. There is no certainty that winter will ever be over, in the end just hope remains.

We are familiar with the concept of hibernation, where animals sleep through the cold months and awake in

spring. They must gather or eat enough food to keep their bodies just ticking over during the winter.

In our modern world, we have twelve months of the year and keep counting time during the winter, the same way we do the rest of the year. We keep working through winter, wrapping up warmly and heating our homes and places of work. The only real escape from winter may be to move to a warmer climate or move to the other hemisphere where it

will now be summer. On the whole, that is not an option for many of us with our work and family commitments.

It is also interesting that the winter months may offer new opportunities rather than just limit them. There is a whole range of winter sporting activities which are different to summer activities. For some people, they switch from one set to another. Many people, look forward to the winter months to get stuck into hobbies and crafts which they now have time for, as there are not so many things to do in and around their homes.

There are parallels with our relationship with God. For some people, God is in the pending pile, just waiting for spring. For others, God is in the hibernation stage; they have enough to get through and feel well-stocked up. For others, they have given up on God and are looking for something more suitable in a different place.

Often, many of us find we look for God when we are struggling. We are not so good at thanking God for our blessings.

Just like the calendar, we need to learn that every day counts. We also need to keep working on all our relationships in both good and bad times.

We should remember that it is up to us how we position ourselves towards God, God never moves or leaves us.

Churchwarden's Ramblings

I must start off this month by giving a big thank you to Garth Adams for repairing the damaged items reported in last month's Newsletter.

Harvest Service

Sunday 6th October, 6pm

After the service there will be a 'Bring and Share' Supper in the Spalding Hall, it will be open to all and you don't need to have been at the service to join in, drinks will be provided.

Food Larder

The Food Larder is now a year old and is well used. We would welcome Harvest donations of tinned and dried foods.

If you have spare vegetables please consider sharing them in the box on the seat opposite the Food Larder.

Churchyard Working Party & Lunch

Saturday 26th October

This has been brought forward and should catch better weather, together with another hour of daylight before the clocks change. We aim as usual to clean up the churchyard by trimming hedges, weeding flower beds and generally tidying up. Please bring your own tools and do as much as you feel able, but whatever you do please stay for lunch.

- 6. Cheriton Bishop Parish Council meeting 8th July, 2024 - to consider the approval of the minutes as a correct record.** The council resolved unanimously by a show of hands to approve the minutes.
- 7. To receive reports from MDDC Councillors.** MDDC Cllr Binks reported that the relief road at Cullompton is going ahead and the new housing development. Further housing developments in MDDC are under review. The housing target for MDDC is being revised upwards. New sites will be decided upon and the public informed once information becomes available.

MDDC is in the top 20% of councils for recycling but this is still under target. A lot of waste is not eligible for recycling under the current service provided, for example, nappy waste, metal pans, soft plastics. Currently, the frequency of waste collection is 3 weeks period for general waste, 2 weeks for recycling and 1 week for food waste.

MDDC is seeking to support local farmers, and food and drink manufacturers by supporting and publicising their interests in the area.
- 8. To receive a report from Devon County Councillor Letch (DCC) - for information only.**

Report distributed previously.
- 9. To appoint the internal auditor for 2025 audit.** The clerk recommended continuing the use of the existing internal auditor who is qualified to degree level in council administration. The council resolved to re-appoint the existing internal auditor unanimously by a show of hands.
- 10. To approve the purchase of posts, installation costs and 'Vehicle Activated' mobile speed signs and review and approve any other relevant actions associated with the installation or equipment.** Cllr Marshall reported that the parish council is waiting to hear from DCC as they are installing the posts. Despite approaches for an update from DCC on this project, there has been no response. Chair to approach DCC Cllr Letch to ask if he can look into why this is delayed again. Cllr Marshall to seek alternative quotes from other service providers. Following a discussion, the council resolved unanimously by a show of hands to purchase the posts in readiness for installation. CHAIR TO CONTACT DCC CLLR LETCH.

CB Parish Council

11. To approve costs of training for the Road Warden Supervisors, which may subsequently be reimbursed by Devon County Highways department. Cllr O'Neill reported that the team has completed basic safety training and that up to two supervisors can now be trained at a cost in the region of £240 plus travel, per person, reimbursable by DCC Highways. The supervisor's role is to ensure procedures follow appropriate health and safety guidelines to ensure the safety of volunteer operators and road users. Also, a qualified supervisor enables the voluntary team to react more quickly to carry out work, such as filling potholes, as the work can be approved by the local Highways Officer. Following a discussion the parish council resolved to meet the cost of training (if required) with a view to reimbursement from DCC.

12. To consider the state of the Memorial Cross area and agree updated specification for work required and approve costs of proceeding with the received quotation. The quotes ranged by a significant amount. Cllr Marshall reported that the path in the Memorial Cross area is eroding at a pace and is unsafe.

Cllr Marshall recommended that the work go ahead. Cllr Mitchell asked Cllr Marshall to consider if an alternative pedestrian path could be created in addition to the work proposed. Cllr Marshall said he would take this into consideration but there would need to be further meetings with Highways. The quote being considered is in the region of £11,000, with the highest quote at over £30,000. Following a discussion the council resolved unanimously by a show of hands that the work quoted go-ahead using the lower quote. Cllr Marshall to liaise with the contractor and commission the work over the coming months. CLLR MARSHALL TO ACTION

13. Repairs & Maintenance – to consider any repairs and maintenance needed for PC assets. NONE

14. Accounts - to approve the following payments.

Council resolved to approve the payments unanimously by a show of hands.

Lawrence Wilson	Maintenance of Cheriton Bishop Play Park	£240.00	No	£240.00

15. To receive a report from the Chairman: Cllr O'Neil reports – The allotments project is still seeking land on which to place the allotments and Cllr O'Neill has recently placed an article about this in the newsletter. He is also waiting for a response from the Diocese and Bunny Homes.

He expressed his concern about the closure of Church Lane to pedestrians as this is the route used by many pupils and parents escorting children to the school. He does not believe Yeoford Road is an acceptable alternative route. There is a legal responsibility to protect the safety of pedestrians and a full risk assessment is required for any diversion route. He has written to the developers about his concerns and will be following this up. He suggested the work could stop briefly at school access times to allow pedestrians to go past, perhaps with a reintroduction of the 'walking bus'. Cllr Mitchell suggested that this could be supported by a traffic controller during the access periods. Cllr Mitchell also suggested that if the higher entrance was retained for site access, an alternative route might be possible via Glebelands until later in the development process. If there were no other alternatives at some stages of work, a minibus service should be provided to transport children. Cllr O'Neill to discuss options with the School and the PTFA and present Bunny Homes and Highways with proposals about how best to jointly handle the ongoing situation CLLR O'NEIL AND OTHER COUNCILLORS TO ACTION

16. To receive reports from Councillors: NONE

17 Correspondence/Clerk's Report: for information only. The clerk updated the council on a new Tree Preservation Order for a tree at Hill View, Cheriton Bishop.

Dates of next meetings, 7pm at Spalding Hall: Monday 11th November & Monday 9th December 2024.
