Welcome to the Newsletter

Welcome to the November issue which is full of interesting articles and events, including Remembrance Day on Monday 11th November. Don't forget to wear your Poppy. The red poppy is a symbol of both Remembrance and hope for a peaceful future.

The Ode of Remembrance is the third and fourth stanza of 'For the fallen'. While the opening stanza specifies England's dead, the later stanzas have been adopted across the world as a general poem of remembrance. The lines are spoken at Remembrance Sunday services, at funerals for the armed forces and other memorial services.

*They went with songs to the battle,
they were young,*

*Straight of limb, true of eye,
steady and aglow.*

*They were staunch to the end against
odds uncounted;*

They fell with their faces to the foe.

*They shall grow not old,
as we that are left grow old:*

*Age shall not weary them,
nor the years condemn.*

*At the going down of the sun
and in the morning*

We will remember them.

We held our Annual General Meeting in October. If you would like a copy of the Annual Report or the Minutes, please email teignvalleyshed@gmail.com

What are Men's Sheds?

'Sheds' are kitted-out community spaces where men can enjoy practical hobbies. They're about making friends, learning and sharing skills - and for a bit of banter over a cup of tea or coffee.

If you have skills to share, or you have very little or no experience and want to learn, then you will be very welcome! There is an annual membership fee of £10, and a session fee of £5 for each session.

Coffee & tea available. A minibus (courtesy of Acorn) is available most weeks if required, at £5 per session. For details, to register an interest, or to arrange transport, please email teignvalleyshed@gmail.com.

November News from YFC

The new year of young farmers is officially on a roll! We have had our new members evening and enjoyed welcoming new members to the club, don't worry though it's not too late to sign up and become a member.

Many competitions are underway such as public speaking. We wished some of our junior members good luck in the junior reading competition against other young competitors around Devon. There were lots of socials last month such as: a tour at

Crediton Milling, pumpkin carving and a Devon vs Cornwall rugby match!

This month we are inviting you to our Bonfire night kindly hosted at Oinkers on Tuesday 5th November we can't wait to see you all there!

Additionally, we are hosting our annual Christmas Bingo on Thursday 12th December at Tedburn village hall where you have a chance to win some great prizes!

Got a Panto in You?

With the Panto season rushing towards us (we will start rehearsing for January's performance in just a few weeks), it is time for us to start considering the 2026 Panto.

This is the opportunity for the budding writers among you to get the chance to write a script for the 2026 performance. At this stage we are looking for details of your ideas and it is very easy for you to start your journey.

We have developed guidelines to writing a suitable script plus a template for you to complete with the details we will need to see when making our choice for 2026. Your submission should reach us no later than 25th November 2024.

What Next?

Go to www.dadsonstage.co.uk, from the home page select 'Take Part' and open Option 2. Download both the guidelines and the submission. Please email your completed submission to Chloe, the Artistic Director of DADS: chloe.sharland@gmail.com

We look forward to hearing from you.

Cheriton Bishop Facebook Page

The Facebook page is for the residents of Cheriton Bishop and the surrounding area.

It has been created to remind people of events that are taking place, clubs etc, somewhere to post photographs of the village, gardening, nature, if you need help that someone in the village maybe able to assist with, plants to swap or sell, pretty much anything really. Community Allotments Project

Do you have available land or know anyone who has?

Cheriton Bishop Parish Council is still seeking a landowner to help us provide allotments for local families and individuals. We are looking for an area of at least one acre to rent on a flexible basis. Another possibility might be the donation of a plot of land to the community, named for the donor or someone else as a memorial.

The Council will arrange a contractor – or pay the owner, if preferred – to install a perimeter fence (where needed). Allotment plots would be approximately 25m x 5m. We will also meet the costs of extending a water supply to the site from the nearest source, if necessary.

We welcome proposals – and we understand that some flexibility may be needed – with the ideal site having the following characteristics:

- Less than 1 mile from the village centre.
- Level, or at least a consistent moderate slope.
- Reasonably well drained for most of the year.
- Access to a road, with potential for bringing vehicles on site and possible parking close by.

The site would be rented and maintained by the Council, with a volunteer committee from allotment holders managing membership, plot rentals and site rules. There would be no permanent buildings erected on site by allotment holders.

If you would like to make a proposal, or just have a chat about a possible site, please contact Peter O'Neill by email, poneill@cheritonbishop-pc.org.uk, or call **07932 660550**. Thank you.

Please Help! Parish Councillor's Needed

We Need Your Help

The Parish Council now has 5 councillors, leaving 3 vacancies still to be filled. Please consider if you can also contribute to our discussions, decision making and projects as a councillor.

We are currently planning considerable investment of funds, so we are keen to have a wide range of representatives.

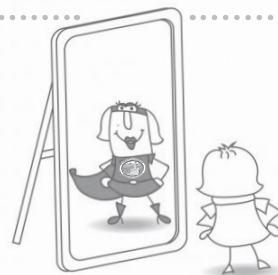

The minimum time required would be to attend

most of our monthly meetings, which last from 60-90 minutes.

If you would like further information, please contact any councillor for an informal chat. Contact details can be found in the inside front cover of this newsletter or on the Parish Council website:

News from the Moor

Huge thanks for the kind words, generous donations and support for the recent fundraising walk along the Dartmoor Way. I am delighted to let you know that, despite Dartmoor throwing all of its weather at us, we made it safely back to Castle Drogo after 8 days, 116 miles and raising over £8,100. It was a tough but incredible experience and will make such a difference in getting a Changing Places toilet on Dartmoor.

November is busy with some of our regular community activities taking place. The inter-school cross country run will be back for the 9th year on Thursday 7th November with 150 children from local primary schools running a 1.5 mile route at the top of the Gorge. You will hear the children cheering from miles away!

We have the Drogo 10 taking place on Sunday 10th November when 500 brave souls tackle the challenging 10 mile run through the Teign Valley from Castle Drogo. The race starts at 10.30am after a minutes silence is held to commemorate Remembrance Sunday. Good luck to everyone taking part and thank you to our neighbours for their patience on such a busy morning.

One of my favourite events of the year is taking place on Saturday 23rd November at Finch Foundry. We will be marking St Clements Day at Finch Foundry together with our local blacksmith community. From 10am until 4pm, Finch will be ringing with the sound of blacksmiths marking the day of their patron saint with displays, demonstrations and competitions. It is a busy event so, if you are able to, please come along by foot, cycle or bus to help with car parking. Everyone is welcome to join us – it is a wonderful event.

The café, shop and gardens will be open every day and the castle will be open Fridays, Saturdays and Sundays throughout November. The Castle will also be open and decorated for Christmas every Friday, Saturday, and Sunday from November 29th until December 8th,

then daily from 13th to 23rd December. Even on the wettest Dartmoor Day, there will be lots to keep you entertained in the castle with 13 naughty elves hiding in the rooms, hand bells to play Christmas Carols or even dancing in the Service Corridor. We also have many local choirs and groups performing so fingers crossed that we don't have too many winter storms. In a change to previous years, we will open the castle Friday 27th to Monday 30th December. Hope to see you there!

Out on the estate our tree management work is well underway now we are fully in autumn. The main area of work at the moment is in Cod Wood, downstream from Clifford Bridge. Please look out for the path closures and diverted footpath routes.

We are also going to be planting 5000 trees in the Teign Valley this coming winter, especially in areas where we have removed trees that had Ash Dieback. If you are part of a group that would like to come and help us with some planting, please do get in touch.

Finally, 2025 marks 50 years since Castle Drogo was first opened to the public by the National Trust. As part of this milestone, there will be a new exhibition in the Night Nursery, focusing on the 1920s, 1970s and today. It will celebrate the stories, objects and features that make Castle Drogo special. As we prepare for it, we are asking for everyone to give us their thoughts on '*What makes Castle Drogo special to you?*'

Please drop me an email with your thoughts by the end of December. I'd also love to hear any stories of visits to Drogo from 1975, especially if you have photos! There will be lots of 50th anniversary activities next year so look out here for more announcements.

Best wishes all,

Citizens Advice – The People's Champion

People think of Citizens Advice helping people with problems, providing advice and support when they are challenged in their lives. But it doesn't end there. A major part of our work concerns Social Policy; raising awareness of injustices in society with the people positioned to effect change to make society fairer. Because (with our Clients' consent), we carefully document the problems, contributing factors, actions taken and the outcomes, we have substantial evidence to support our campaigns.

As we help people work through their problems and resolve them, we see patterns emerging. We also conduct surveys and analyse the findings, presenting them to influential people who can effect change.

In our monthly advice columns, we focus on a particular topic, outline the advice we can give, pointing people in the direction of further sources of help and information, if needed. This month, we present a broader picture drawing your attention to our Living Standards Report, produced after two years of research with surveys undertaken at local events we have attended. It focuses on the very real issues that constitute what has become known generally as 'the cost of living crisis.'

This link will take you to that report which doesn't just cite statistics, but makes them meaningful, easily understandable and supported by real client stories whose identities have been protected.

<https://citizensadviceetnmwd.org.uk/impact-report/citizens-advice-torridge-north-mid-west-devon-2024-living-standards-report/>

We have just completed our impact reports detailing our achievements between April and September this year and the challenges we face as we continue to help people in our communities. The above link is included

in these reports which have been sent to each of the district councillors in Torridge, North, Mid and West Devon (150), as well as the Council Officers. It will go to all our local MPs and the link will be included in our next quarterly newsletter, circulated to other interested parties and stakeholders.

Reading our Living Standards Report, you will get a flavour of the variety of problems people bring to us and hopefully get a broader picture of our work.

People can access us in many ways all of which are detailed on our website where people can also find useful links to help them.

The RSV vaccination programme is now up and running.

Vaccination to protect against Respiratory Syncytial Virus (RSV) is being offered to:

- Pregnant women (from 28 weeks of your pregnancy) to help protect newborn babies
- People aged over 75

Speak to your midwife, GP or health team.

Devon YFC Training

Devon YFC has recently launched its new and improved 'Devon YFC Training' branch which provides a variety of courses, training and CPD for YFC members and non-members alike. Although Devon YFC Training's focus is primarily rural skills and agri-related subjects, we do have capacity to arrange courses to meet any training need. We are proud to work alongside Devon Agricultural and Rural Training Trust (DARTT) and Dartington Cattle Breeders Trust (DCBT) who offer funding to support participants.

Devon YFC Training is a Lantra training provider and can offer available Lantra courses either at the learners' premises or we can source premises to hold a course. We also have access to a wide range of other training providers and can offer the below courses:

- First Aid
- Food Hygiene
- Tractor Driving
- Telehandler
- Spraying
- Safe use of medicines
- Chainsaw
- Other Arboriculture courses, such as tree climbing
- Hand-held strimming
- ATV
- Pest Management
- Shooting – Shotgun loaders course
- Farm Admin
- Self Defence

To check out our upcoming courses, please visit www.devonyfc.co.uk/yfc-training/

Turning People into Trees

I am really enjoying watching the woods transform as we move into Autumn, and this heightened awareness of trees has reminded me of a quote spoken by the late spiritual teacher, Ram Dass. I shared this quote a few years ago but I feel its message is so important that it is one to be remembered:

"When you go out into the woods, and you look at trees, you see all these different trees. And some of them are bent, and some of them are straight, and some of them are evergreens, and some of them are whatever.

And you look at the tree and you allow it. You see why it is the way it is. You sort of understand that it didn't get enough light, and so it turned that way. And you don't get all emotional about it. You just allow it. You appreciate the tree.

The minute you get near humans, you lose all that. And you are constantly saying 'You are too this, or I'm too this.' That judgment mind comes in. And so I practice turning people into trees. Which means appreciating them just the way they are."

Those last 5 words seem most pertinent to me. If we appreciate everyone 'just the way they are', we have no choice but to let go of judgement and fault-finding, and instead view our fellow humans (including ourselves!) through a lens of acceptance, understanding and compassion.

Enjoy turning people into trees this autumn and onwards!

With love and appreciation,

Joe Arnold

In the Garden

November Leaves and Bulbs

By November the slow dying back of deciduous plants, which began in October, is gradually looking more like a winter garden. Remove soft and soggy growth but try and leave seed heads and hollow stems. These are useful for birds and insects. Grasses shouldn't be cut back until Spring to protect new growth and many will have decorative seed heads.

Dahlias will need to be moved inside, unless they are planted in well drained ground. If they are in pots, cut back the foliage, empty out the soil and turn them upside down. This will allow any moisture to drain out of the hollow stems and keep the tubers from rotting. Store the tubers in a cool, frost free, dry place, lightly covered in any dry material such as wood shavings. If they are left in the ground, a layer of mulch will help protect the tubers from severe frost.

Cannas will have a better chance of surviving if they are brought inside too. They can be left in pots but

should be kept quite dry so that they are not encouraged to grow. Minimal watering is needed.

Leaves will be falling thick and fast. If you can mow them up from a lawn, they will quickly rot down to make good compost. Otherwise, put them in a bag pierced with holes and leave them out of sight for 12 months, making sure they are damp enough before you close the bag.

Plant bare root roses this month, making sure that the grafting point is below soil level.

Plant tulips with plenty of grit under the bulbs to prevent rotting and fungal disease.

Enjoy the Autumn colours and scents, both when leaves are on the trees and when they have fallen!

Neighbourhood Watch

Stay Safe Whilst Out

The end of summer brings in shorter daylight hours and the greater need to be more noticeable when out in the lanes and roads around us. Dark clothing merges into the background of hedges, banking, bushes and trees and becomes much less visible to traffic. Also, with low levels of sunshine, drivers can quite easily become blinded for short periods and therefore it is essential that you can be seen easily.

Clothing that is of a light colour will enable you to be seen. Much better would be to wear reflective or fluorescent clothing or tabards. If it is possible, remember to walk facing oncoming traffic.

Hot Water Bottles

Now it is getting colder hot water bottles may be looked for in the home. They can degrade over time and should be checked for splits, cracks and that the stopper can be properly screwed in by hand. The manufacturer's date can be found in the middle of the 'flower symbol' on the bottle. Hot water bottles can suffer from being filled with boiling water, stored with water in them and placed near a heat source.

Freshly boiled water should be allowed to cool for a few minutes or added to a mix of cold water. Filling to no more than two thirds and squeeze out air at the top to allow for expansion. A cover is advisable and never placed directly on to the skin. Replace hot water bottles that are over three years.

Credit Reports

Scoring on your credit file can be wrong and may be showing false debts and incorrect information. This can lead to you being rejected when applying or saddled with high interest rates.

Credit reference agencies gather personal information whether you are applying for credit or not. This information can influence the outcome of any future financial applications and if anything is incorrect it's likely to influence your rating.

It is advisable to check with the three main agencies, Equifax, Experian and Transunion as each agency collects its own information on you and it is essential that all information is correct. Do check your credit report with them by logging onto their website and correct anything that is not right.

Flooding

Have you ever considered this and what action you can take in advance to protect yourself and property as flooding can happen very quickly with the effects being devastating. Flooding can occur from appliances, internal plumbing and storage systems, drainage and from external sources.

Creating a plan will ensure you know what you need to do in the event of a flood and have to hand useful information in an accessible place. Firstly, ensure that you and your family remain safe. If safe to do so: turn off your electricity supply at the main panel and don't touch any electrical equipment or cables; turn off mains water and gas services. Only ever return to the property when it is safe to do so. Flood water can hide dangers so be very careful when walking through it.

If utility supplies have been cut off then the supplies must be checked out by qualified persons to ensure a safe return. Contact your insurance company as soon as possible.

There is more detailed information on Devon County Council's website and can be contacted 24/7 via their Flood Line for help on **0345 988 1188**.

A Bit of Information

Carpark Text Warning

A latest scam is when you are driving away from a parking area and you receive a text message demanding that you pay a parking fine. The text seems very authentic and is a model of a government website. The text claims and looks official and will take you to a payment page with money paid going into the account of the fraudster.

Councils and parking companies do not issue Penalty Charge Notices (PCN's) by text message, and will only send you a letter as they have no way to tie your phone number to your car. Do not act or reply if a text is received, but report it to the free spam reporting service on **7726**.

Safety

Always be observant & vigilant and keep your eyes open. We are all encouraged to report a crime, any suspicious behaviour or vehicles around. It is up to us all to do our part and be on our guard when we are out and about. Report any findings to the police.

Message from St Mary's

Remembering Past Wars

The annual act of remembrance often focuses on an anniversary that occurred that year. Unusually, this year there are two anniversaries from different wars that are to be remembered.

The first anniversary is Thursday 6th June 2024, the 80th anniversary of D-Day was commemorated on both sides of the English Channel. It is believed to be the last anniversary with soldiers from the D-Day landings still present, bearing in mind most of the survivors were either over 100 years old or in their late nineties. Winston Churchill's famous speech was about D-Day.

*"We shall go on to the end,
we shall fight in France,
we shall fight on the seas and oceans,
we shall fight with growing confidence
and growing strength in the air,
we shall defend our Island,
whatever the cost may be,
we shall fight on the beaches,
we shall fight on the landing grounds,
we shall fight in the fields and in the streets,
we shall fight in the hills;
we shall never surrender..."*

It is interesting to note that he is often misquoted as saying "we shall fight them on the beaches", there is no "them" in his speech. It is also sobering to reflect that there was almost another year of fighting between D-Day and the end of the war in Europe on the 8th of May 1945, and the 15th of August 1945 marked the end of the war in Japan and the world.

In the First World War, everyone thought it would be over in a few months, home in time for Christmas. It took another four years until

that anticipated end was accomplished. So often conflicts stretch on much longer than anyone could imagine or hoped they would.

The second anniversary is a significant milestone, the 25th anniversary of the end of the war in Kosovo and the deployment of the NATO peace-support force. The breakup of Yugoslavia led to fighting between Serbian and Kosovar Albanian forces. Hundreds of thousands of people were forced from their homes.

As I write, new battle lines are still being drawn between Israel and Palestine, Ukraine and Russia.

There is the same question of how long these conflicts will continue and what will be the human cost of the dead, injured and displaced people.

*The First World War was said
to be "the war to end all wars".
Over a 110 years later, people
are still waging war.*

Sometimes all that remains is more bitterness and further conflicts. We need to draw inspiration from Nelson Mandela who rejected recrimination in favour of reconciliation.

*There always needs
to be reconciliation for
peace to transform
these difficult situations.*

CB Parish Council

Minutes of the Cheriton Bishop Parish Council Meeting

Held on Monday 14th October 2024 at 7pm at the Spalding Hall

Present: Chair Cllr P O'Neil, Vice Chair Cllr R Marshall, Cllr P Mitchell and Cllr A Fry.
Devon County Council (DCC) Cllr Frank Letch. Simon Wagemakers representing Bunny Homes.

Attending: Jane Clark, Parish Clerk. No members of the public present.

1. To receive and accept apologies. None

2. To receive Declarations of Interest. None

3. Public Discussion: None

4. PLANNING DECISIONS APPROVED BY MID DEVON DISTRICT COUNCIL. Noted

Conservation Area Brackenwood, Church Lane, Cheriton Bishop.

Notification of intention to remove non-native conifers from the root zone of 1 Oak tree.

Within the Conservation Area Location Dudshall Cottage, Church Lane, Cheriton Bishop

Reduce the sides of 1 ash tree and the height by 5m.

West of Higher Thorne, Cheriton Bishop. Erection of agricultural building.

5. Cheriton Bishop Parish Council meeting 9th September, 2024 - to consider the approval of the September meeting minutes as a correct record. The council resolved to approve the minutes of the September meeting unanimously by a show of hands.

6. To discuss the closure to vehicles of part of Church Lane during January and February 2025, as a result of construction work linked to the Bunny Homes development. Also, to discuss the proposed arrangements to safeguard and facilitate pedestrians / schoolchildren during the period of closure to vehicles.

Mr. Simon Wagemakers from Bunny Homes reported that groundworks are being carried out now to prepare the site for construction. During the approved closure to vehicles in early 2025, water, electric, telephone and all connections will be installed at the same time as the construction of the new road junction. The road will not be closed to pedestrians during this period but there may be some restrictions if connections to services necessitate digging up the full road width. In this case, pedestrian access will be arranged during school and pre-school drop off and pickup times - morning, lunchtime and afternoon. Hopefully this will be for as little as one week, but this will depend on other factors. The Chair thanked Simon for the work he has put in to ensure the road remains open to pedestrians. Simon Wagemakers agreed to share the telephone numbers of the parish council with the teams working on site and vice versa so there is a quick means of contact should this be required. There will also be liaison between the developers and the school when periods of limited pedestrian access are being arranged.

7. To receive reports from MDDC Councillors. None

8. To receive a report from Devon County Councillor Letch (DCC) - for information only. Cllr Letch reported that he attended the local transport plan meeting which is addressing safety issues and was pleased to say that Devon is the top performing travel safety authority. The introduction of the 20-mph speed limit in the village was discussed and the Chair said he felt that the roll out was lengthy but that he is hoping the current 20mph section in the village is extended.

DCC staff had recently taken part in an employee survey and the results show that 73% felt valued in their role, an increase of 22% on the previous survey.

He had also recently attended a meeting to share how banks are working to reach zero carbon emissions by 2030 and he was impressed with some of the work being done.

CB Parish Council

9. To review and approve new Financial Regulations required by National Association of Local Councils.

The council reviewed the new financial regulations and voted to approve them unanimously by a show of hands.

10. To review and update the project for the purchase of posts, installation costs and 'Vehicle Activated' mobile speed signs.

Cllr Marshall reported that the installation costs have been received and recommended that the council commissions the work as soon as possible. There will be one sign that will be moved monthly around the four sites in the village, this will be managed Cllr Marshall. The council approved a cost of £1,000 for installation and to commission the work asap. The Council resolved to commence the project unanimously by a show of hands. Clerk and Cllr Marshall to draft a process for managing the VAS signs for the council reference. CLERK AND CLLR MARSHALL TO ACTION

11. Update on the Road Warden scheme. Cllr O'Neill.

There are now enough road wardens to go ahead with the scheme but as yet no one has stepped forward for the role of supervisor. The Chair offered to take on this role with a view to recruiting a deputy as soon as possible.

12. Update on the Memorial Cross area project. Cllr Marshall.

Another on-site meeting has been held and the contractor is going to agree a start date as soon as possible.

13. Repairs & Maintenance – to consider any repairs and maintenance needed for PC assets.

Fence at play area was repaired by a contractor and signed off.

14. Accounts - to approve the following payments.

The council resolved to approve the payments unanimously by a show of hands.

Payee	Service	Amount	VAT	Total
Mrs Jane Clark	Clerk's salary and working from home allowance	£365.16	No	£364.16
Clarity Copiers	Newsletter – black & colour pages	£63.75	£12.75	£76.50
Lawrence Wilson	For maintenance and mowing of play park	£60.00	No	£60.00
	For fence repair, parts and labour	£184.80	No	£184.80
Spalding Hall	Storage & collation of newsletter. August Hire	£121.00	No	£121.00
	Storage & collation. September Hire	£68.00	No	£68.00
Com. Heartbeat	Annual Defib Support Cost Zoll	£165.00	£33.00	£198.00
DALC	Reference books from DALC for new councillor	£9.00	No	£9.00
Mrs Jane Clerk	2 reams A4 paper + 22 miles travel	£25.88	No	£25.88

15. To receive a report from the Chairman: for information only.

The Chair shared a map showing the extent of the 20-mph section in the village. During the roll out of the original proposal the parish council was told it was not easy to create a non-contiguous stretch. However, it is now hoped that the 20-mph stretch will be extended to include Glebelands to Higher Shippon and on past the village hall and to areas where there are no footpaths. It is hoped that slowing traffic down before it reaches the centre of the village will create a safer environment. This speed can now be accurately detected and therefore policing the 20-mph can be managed effectively. The extension on the Yeoford Road will be at either end of the existing stretch.

16. To receive reports from Councillors:

Cllr Mitchell asked if the council wished to approach the Gardening Club to plant another birch tree on the east side of the village to match the existing tree on the opposites side of the road. CLLR MITCHELL TO ACTION.

Cllr Marshall wished to record that work on the church gates, part financed by a parish council donation, is now complete and a very good job has been done.

17. Correspondence/Clerk's Report:

The clerk reported that the council needs another bank signatory.

The Chair requested that the clerk look into Unity Trust Bank as an option and to place this on the November agenda for discussion. CLERK TO ACTION.

Devon County Council

Councillors Report

This month has sped by and already we are looking towards winter!

Road Patching

It is pleasing to note however that there has been a lot of work on our roads patching, filling potholes and white lining. This is probably the result of the £12 million that Cabinet gave to highways so that they could concentrate on the smaller roads. It has necessitated several diversions which did not please everybody; such is the world you cannot please all the people all the time.

Bus Stop Litter

I have had complaints of litter around the bus stop near the surgery in Joseph Locke Way. I have asked Mid Devon District Council if they can put up a waste bin but the problem is the road is unadopted and we need to find out who owns what. It seems to be between Network Rail and Tesco. However, the head of service has assured me that the street scene group will pay regular visits to that area and collect what litter there is.

Zebra Crossing

I am sure people will now realise that we are to have a zebra crossing from Hawkins Way area to the Leisure Centre and Lidl. This was one of the conditions laid out by planning so that the developers are actually responsible for the cost.

Yet again we have had people complaining that it's in the wrong place etc. The problem with that area is there are just so many junctions going to the industrial estate, the post office and leisure centre.

The proposed site is a compromise which would mean that pedestrians have a safe way of getting from one side of the road to the other in order to visit the leisure centre or the supermarket.

Street Lighting

At my scrutiny committee meeting, we proposed that street lighting times should be decreased in order to save money and protect the environment. It will also protect some wildlife. The times will change in two areas namely towns and the rural area. The city will remain the same. If these changes are implemented it will probably save the county about £6 million.

Children's Services

You will probably be aware that over the years I have raised the problem of our children's services. The special educational needs and disabilities budget is severely overspent. Officers have been addressing the problem and their efforts will be scrutinised in the next two weeks by a full OFSTED inspection.

Materials Laboratory

I visited Devon County Council's Materials Laboratory. This is where samples are taken of roadwork repairs, major road construction, pedestrian areas such as pavements and shopping malls and materials used.

After any fatal collision, officers from the laboratory take core samples in order to assess any impact the road may have had on the collision. In order to fully understand the condition of the road they take core borings which can go down to 60 to 80cm.

Waste Collection

Collection Dates & Information

Collection days for this area are Monday or Tuesday depending on your postcode.

You can find your collection day here:

www.middevon.gov.uk/residents/recycling-rubbish/check-collection-dates/

Please remember to put waste and recycling containers out at the kerbside where they can be seen easily, either after **6pm** the night before, or before **6am** on your collection day.

Food waste is collected weekly from your blue food caddy

Recyclables are collected fortnightly from your black & green recycling boxes

November

Dates:				
4th / 5th	✓		✓	✓
11th / 12th	✓	✓		
18th / 19th	✓		✓	
25th / 26th	✓	✓		✓

Chargeable garden waste is collected fortnightly from your brown wheelie bin

Non-recyclables are collected every 3 wks from black wheelie bins or reusable sacks

Cans 4 City Collection Point

Support your local football club by recycling your empty drink cans!

Cans4City is based in Exeter and is a joint initiative between Exeter City Football Club and Exeter City Council.

The scheme provides fans with a free way to support their local football club - by recycling their empty drink cans.

They've collected more than 19 tonnes of cans and raised over £15,000

as a result! Read more about Cans4City: everycancounts.co.uk/cash-for-cans/

Drop your aluminium drinks cans into the collection box in **Cheriton Bishop Surgery Reception** where Exeter City super fan, Chris, will collect them and deliver to St James Park.
